CHAIRMAN'S REPORT

It is my pleasure to present to you the 2017/18 annual report, a season where we as a club have achieved so much on so many fronts resulting in the recognition and recent awarding of the prestigious **Champion Club of Sydney Branch** award which I must say has a very nice ring to it and there's plenty of good reason why South Maroubra took out the distinguished title.

Here's a snap shot into the year that was the 2017/18 season!

LIFESAVING

Our core business being Lifesaving have delivered a solid year of performance on the beach and in the water with 'No Lives Lost' and a whole lot of great lifesavers recruited and trained up. Throughout the season our lifesavers carried out 101 **Rescues** and 3153 **Preventative actions**, 556 **First Aid** cases and delivered 7671 **Patrol hours**.

Our Lifesaving and Education Team recognises we need to continue to build the number of lifesavers whilst broadening the skills base on the beach and in the water. So, in the lifesaving space, a big tick and thank you to the entire lifesaving team led by DOL Damien Woods, Ronny Krite, Nicole Cooney, Michael Fernandez, Patrol Captains and Instructors who provide the leadership each week necessary to get the job done. As stated lifesaving is our core business and as such it remains all of our responsibility to build and support the members in red and yellow. On a sad note Damien will be standing down as Director of Lifesaving after a number of years in the job but is sure to continue to support and build South Maroubra moving forward just in a different way.

YOUTH/NIPPERS

We had big numbers, with up to 700 at one-point, with great parent participation and generally a comprehensive Surf Education Program which was successfully concluded in March. Tenth place overall at the NSW State Championships for Competition, and we have growing numbers of officials and quality coaches. The highlight this

season was certainly staring in the ABC ME 14 part series of **Nippers**, which reflected well on the entire Lifesaving and Nipper Community, and still available on ABC (ME) iview in case you missed it. Nippers continues to be an area within our club where there is so much scope for continued development, sponsorship and growth so another big tick and well done to the entire leadership and support group.

Running Nippers is a massive job and can only be carried out with the cooperation and involvement of committed leaders which comes in the form of parents and supporters getting their hands dirty and becoming involved. I was thrilled to see a whole lot of nipper parents obtain their Bronze qualification and not only carrying out water safety with the kids but supporting our surf patrols as well. Well done to you all!!

On a side note Marcelo our Director of Youth will be stepping down at the end of this year, I'd very much like to thank Marcelo on a sterling effort leading and building our Youth section. Marcelo will continue in the Youth space at Branch level and sure to remain involved at our club. Thank you, Marcelo!

COMPETITION

This season we saw new Director of Competition Tom McJannett take on this challenging job which he carried out with gusto and interest, and whilst we have a long way to go in building diversity in competition, we are on the right path.

Next season Tom and I along with other clubs in Randwick District will be looking at a new coaching structure where we join with other nearby clubs to offer increased opportunity.

Boat Captain Phil is busily building our boat section with some exciting developments to be presented to the membership early next season, our IRLB section are fully into their competition season with some positive results and new touring management team. With new equipment coming we are sure that this very important section will continue to thrive. The boards and skis section has seen a revival led by a group of dedicated trainers and up and coming young competitors. Club stalwart Shane White with a group of Masters Competitors acting as coaches has formed a fantastic partnership with our up and coming kids to form a really exciting and growing group of ski and board paddlers. I really hope we can continue to support and develop this important group.

RETENTION, DIVERSITY AND COMMUNITY ENGAGEMENT

Yes, you guessed it we ticked the box here as we are blessed to have a diverse and multicultural membership base that continues to grow. We are a place where everyone is welcome to participate in the many activities that we run annually whether it be Sunday socials with nipper parents and Water Safety after Sunday activities, participating in skills development opportunities for our Juniors, determining and building the right competition opportunities for the club and in doing so addressing the issue of attracting and retaining adolescence and young adults who remain a challenge in terms of retention. We participate in countless internal and external aquatic activities and in doing so support the broader Sydney Community in particular charity groups, whilst continuing to build lines of funding for the club through planned events. Our club again ran the very popular Octoberfest, Ocean Swim, Sportsman's Day, Nipper Trivia all requiring significant planning and execution but also vital income earning events.

CLUB NEWS WRAP!

This year our club was unfortunately hit with some really sad news with the passing of significant members and friends. We said goodbye to Founding and Life Member John Ludlow who was such an important influence and mentor to the club and Dolphin Winter Swimmers over a long period of time. We also bid farewell to District Permanent Member Geoff Martin, Shane 'Bronze' Whittaker and former Club Captain and Dolphins Captain Ken Murphy brother of Life Member Max Murphy. In another sad development we said goodbye to long-time supporter and Club Patron Bill Haigh who did so much to help the club in the earlier years. Thank you to all of

these important friends for what you have done for our club and a stronger community.

Special friendships and life long bonds have been developed in our club over the years so importantly each season we try to continue to build and develop our social aspect. We do this as the social scene is an important way of retaining members and building friendships and assists in building unity and mateship. Social events allow for the passing on of tales and stories from generation to generation, older members to more junior or new members allowing some traditions to continue. Our club works hard to build a fun and social aspect by running events such as the sportsman's day, trivia, gold members and presentation days/events, but also in the weekly Sunday socials where we love seeing all of our friends join us during the course of the day for drinks and a bite to eat. We'd love to continue to develop Sunday socials and even thinking of a monthly music treat where we book various musical artists to perform for members. To do this we would need to attract consistent numbers and would offer the club bbq for use and obviously bar would be open to help fund the activities. We would really like to hear your feedback on this concept so as to determine whether it is worthwhile pursuing. Just remember everyone is welcome for Sunday socials and State of Origin nights including friends of members, and with Uber rides just around the corner there has never been a better time to get involved.

On the communication front, South Maroubra made a big effort to improve our member communication and experience as we are committed to providing timely and comprehensive information to members. This season a great deal of work was done by our Club Secretary Nicole Cooney refreshing the club website making it a more modern and interesting

CHAIRMAN'S REPORT (CONTINUED)

site, she also refreshed the club's traditional newsletter 'Blu-ing' making it a fun and modern form of information exchange. Facebook is proving a popular and effective way of delivering timely messages to members along with the SurfGuard messaging system. We trust the membership has appreciated the improvements.

WELL THAT'S ANOTHER SEASON WRAP UP!

That about concludes what is best described as a full on but highly successful year for us at South Maroubra. It would not have occurred without the commitment and friendship of our many Leaders and Members, our key people such as Caretakers Barry and Leslie that keep the place looking beautiful with Barry also our bar manager, Club Licensee Gus who keeps the entertainment happening and bar stocked, our many wonderful sponsors in particular Maroubra Seals, Randwick City Council, The Juniors Group of Clubs, Club Randwick, Top Cat Catering, local pubs, clubs and businesses the entire list of sponsors are detailed in this annual report. We are committed to building our sponsorship base and always interested in forming partnerships.

Behind every successful club is a Politician and in our case we lucky to have our State and Federal Politicians namely the great **Michael Daley MP** and **Matty Thistlethwaite MP** plus we're really fortunate to have a great group of Randwick City Councillors, too many to name, who continue to support us. To our Life Members that continue to assist the club thank you. To Linda, Paul Duffy and Ken Artur forming the nucleolus of our Memorabilia Committee thank you I'm sure members will be delighted with what is planned. Thanks to Jack Shaw, Life Member, for all that he does to assist and promote the

club and all the members that help us in so many ways and far too many to mention, thank you. To Michele Lo in the club office each Tuesday and Friday assisted by June Burgess thank you for your commitment.

Lastly, I was honoured to be awarded the Order of Australia Medal for service to Surf Life Saving, community and our club. This award I accept on behalf of all the members past and present that work so hard for a better community and club.

I thank the entire Board of Management for your friendship and support over the year and hope for another terrific season 2018/19.

PAUL 'STRETCH' FOWNES OAM

Club Chairman

VICE CHAIRMAN'S REPORT

The season has once again been a rewarding one for our Club with many highlights and achievements which our sections will report on throughout the report. In the Vice Chair position, my contribution to the Club is mainly project driven by the BOM and a support role to my fellow Directors and their committees.

Two major projects have been tasked by the BOM, that being a review of the Constitution and of course the Memorabilia Project.

Our Club's current Constitution 2011 is outdated and lacking relevance in some areas for the many changes within Surf Life Saving. The Constitution Committee has been tasked to prepare an updated and more current constitution and produce a separate Regulations document for the Club incorporating a list of recommendations of change from Board of Management. Both documents are nearly completed in their first draft and will be presented to the members of the Constitution Committee over coming months for review and finalising. Once finalised by the Constitution Committee, the new documents will be presented to a Special General Meeting of the Club for adoption. It is envisaged that this will be completed before end of season 2018/19.

The other major project which has been in preparation for about 2 years now is the Memorabilia Project. As reported to the members in Club News Blu-ing a few months ago, the project sub-committee has made recommendation to BOM with engagement of Focus Productions to bring our Memorabilia Project to fruition. I would like to recognise the members of this sub-committee who have put in months and months of research to come up with the best options for the Club to recognise and display its history. To Ken Arthur, Paul Duffy, Peter Murphy and John Park, thank you very much for your persistence and perseverance with this project. The next few months will be very exciting as we see the entrance and Heritage room walls come to life with visuals. Watch this space!

The Surf Club Gym has continued to provide an opportunity for members to work-out and keep fit. We do encourage members to use this great facility and purchase a Gym Membership each year. Patrolling members are offered this facility at a discounted rate. Thank you to Phil Stivano and Mark Hastings who assist me in the role of ensuring the

safety and upkeep of this member facility annually and of course our great Caretaker Barry for the regular cleaning.

In addition to the above, we also recognised and remembered our dear friend 'Bernie Kelly 20 years on' and all members who have passed away with a get together at the club in January. A great afternoon of friendship and remembrance to acknowledge so many Club contributors who have sadly passed on.

In February we were joined at the Club by the 'SMOFs' for their get together, which they hold every 2 years. To Geoff Starkey and his fellow organisers, thank you for keeping this contact with the Club and sharing so many great stories. This group of past and present members are collectively a combination of the history knowledge of South Maroubra!

On behalf of the members I also wish to acknowledge Bob Wurth who has provided us with the great club history stories which we have been sharing with the membership via Blu-ing this season. If you have missed reading these history documents, they are also available on the Club website www.southmaroubraclub.com.au/club-history.html. Club History is very important and comes in many forms of the written word and photos. There is no form of history more important than the Club Annual Report. I commend our Club Secretaries past and present who have all ensured that each year the report accurately documents every aspect of the club. To all our members, you are our history and your contribution is priceless.

LINDA PERRIN

Vice Chairman

VALES

Bill Haigh

Life Patron of South Maroubra Surf Life Saving Club

On the 15th November, 2017 we were saddened to hear of the passing of Bill Haigh, Life Patron of South Maroubra Surf Life Saving Club at the age of 93.

Born in Liverpool, England on the 25th May 1924, Bill immigrated with his parents to Australia and was educated at Malabar Public School. Bill worked at Bunnerong Power Station from 1948 to 1959. He was elected as an Alderman to Randwick Municipal Council in 1956, serving two terms as Mayor from 1962 to 1968. He remains the longest continuous serving Mayor of Randwick.

Bill was elected as Member for Maroubra and entered State Parliament in 1968 where he served a further 15 years. He served as Minister Assisting the Premier from 1976 to 1978, Minister for Services 1977 to 1978 and as Minister for Corrective services from 1978 to 1981.

Bill Haigh loved our Club, which he recounted many times. He was always willing to help with advice and guidance and substantial support when needed. The South Maroubra Surf Life Saving Club building was officially opened by The Honourable W.H Haigh together with Club President T.J. Dynan on Sunday 26 October 1969. The plaque commemorating this event now adorns the wall of the Clubhouse adjacent the front entranceway. South Maroubra had no greater friend in those difficult early years than William Henry 'Bill' Haigh.

Bill was a people person and was well loved and respected in the community as well as by our Club members. He has left behind a wonderful legacy.

R.I.P Bill Haigh.

John Ludlow

On 23 May 2018 we were saddened with the news of the passing of Life Member John Ludlow. John was a foundation member of the Club who gave over 50 years of patrol service on the beach and held many key positions within the Club during his decades of membership right through to his passing. John gained his Bronze Medallion award on 29 March 1953.

John was instrumental in many areas of the Club especially with clubhouse building in the early days. John Ludlow was the Dolphins Winter Swimming Club – the longest serving President, an achievement which I doubt will be surpassed by any other President. Within the Surf Club John held positions including Vice Cub Captain, Club Captain, and Vice President for 15 years, he was a member of many sub committees actively sharing his wisdom and knowledge of South Maroubra. John was a successful competitor in his early days as a swimmer and later turning to his passion of Surfboat rowing and competed with success at State, Australian and World Masters Championships.

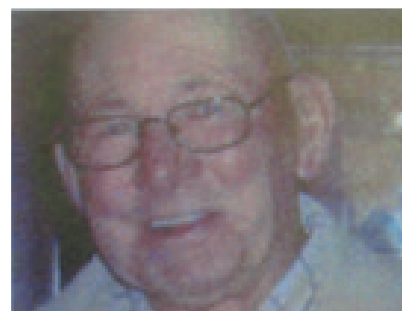

John was bestowed the honour of Life Membership in the 1981/82 season.

We salute you John and thank you sincerely for everything you did for our Club. We extend our deepest sympathy to Meryl and his family.

RIP John Ludlow.

Ken Murphy

On May 7 we we learnt of the passing of another founding member of our Club - Ken Murphy.

Ken came to South Maroubra from Malabar with the group of dedicated men who saw the vision for a Surf Club at South Maroubra. Ken was an active member of the club for many years and held key position of Club Captain from 1968 - 1970 and was Captain of the 'Dolphins Winter Swimming Club' from 1961-1969.

Ken is the brother of our much loved and respected Life Member Max Murphy. We extend our sincere sympathy to Max, Joan and Family. Another great member who contributed to our Club.

RIP Ken Murphy.

ADMINISTRATION REPORT

On behalf of the Board of Management,
I present for your consideration and
adoption the 60th Annual Report and
Financial Statement of South Maroubra
Surf Life Saving Club Inc for the Season
2017/18.

I'm happy to say that once again we have No Lives Lost between the flags during the season. As a Surf Life Saving Club, we should never forget that keeping the public safe on our beach is and will always be our primary objective. We are lucky to have a great team of members who dedicated their time and skills to this objective and in such keep our beach safe with expecting nothing in return.

Surf Lifesaving is an institution that offers many avenues and opportunities to people of differing ages, abilities, experiences and backgrounds. It's quite rare that an organisation provides so many opportunities, especially a volunteer one. The diverse range of opportunities and as such the many different roles and the volunteer hours members donate to Surf Lifesaving deserves recognition and acknowledgement. On the beach we have a fantastic team of Lifesavers who give many hours of service to patrols and water safety. To prepare these members for the responsibilities we have our dedicated Education Team who give so many hours of their spare time to ensuring our members are highly trained.

We have motivated competitors who benefit from volunteer coaches, section leaders, surf sport officials and a

competition team. Behind the scenes, the time devoted to administration tasks and finance cannot be forgotten.

Members also freely donate their skills and services towards fundraising, catering, social events, bar service, repairing club gear and equipment, and upgrading club facilities. Our Nipper Team work hard in preparing and supporting our junior members – our future lifesavers and leaders.

We've had a wonderful social season also with some great events - to name a few we had Octoberfest, Sportsman's Day, Trivia Night, and Origin Night. To add to this our social Sundays are growing, and I hope to see more and more of our members come to the club on Sunday afternoons in summer to share stories and make new friends.

Our social media presence continues to grow with the South Maroubra SLSC Facebook and Instagram pages, and viewed by the majority of our membership. If you're not already following us be sure to start now, the pages are a great way to keep up to date of everything that is South Maroubra including events, club information and of course all the great photos (new and old).

This season I had the pleasure of developing and launching our new website, which I hope has been a welcome refresh to our web presence. I was also happy to revive 'Blu-ing' the club newsletter, creating a digital version. I truly hope you have enjoyed both these and always welcome feedback and suggestions for improvement.

I would like to thank everyone on the Board of Management, Lifesaving, Nippers, and Competition Committees for the help and guidance throughout this season. Thank you to Michelle and June in the office for all your work. I'm looking forward to the new season.

ON PATROL

DIRECTOR OF FINANCE REPORT

It gives me great pleasure to present the annual financial report for the South Maroubra Surf Life Saving Club for period 2017/18. At the completion of the financial season the club is showing an operating profit of \$99,974 compared to last season's profit of \$42,710.

REVENUES

Traditional sources of income throughout the season have remained consistent with previous years. Membership revenue equated to 16%, donations/sponsorships/grants 43% & club activities 31%.

Overall Membership increased this season by 11%. The Active 15 to 18 year category decreased by 16% but growth of 17% was recorded in our Active 18 years and over memberships. Nippers and General categories also increased.

This season completed the 5th year of our association with Top Cat Catering who lease out the clubhouse Horizons Function Centre. The BOM are pleased to advise that Top Cat Catering have continued its lease for another 3 years.

The Income report reflects an overall 7% increase in income for the season which is reflected by increases in Clubhouse Income and Memberships. Once again our club was successful in securing government grant funding from the Dept. Family & Community to install clubhouse shutters to protect the clubhouse from strong southerly weather conditions and funding from the Community Building Partnership to purchase a new surf boat. All other revenue forms were fairly consistent with previous season.

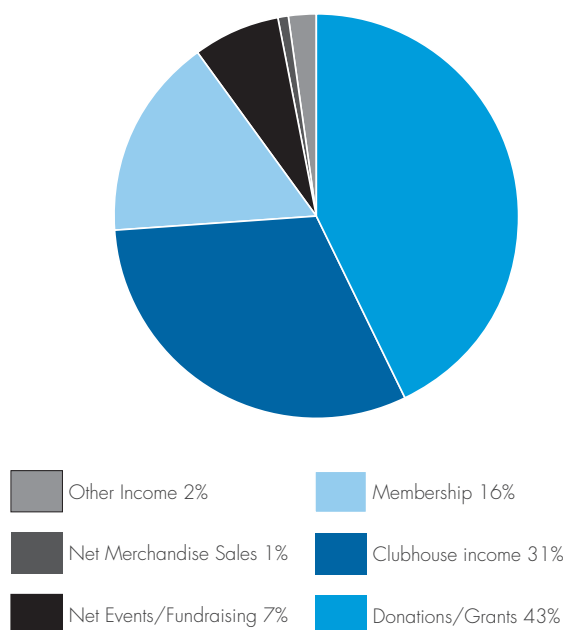

Total income for the year \$543,994

EXPENDITURE

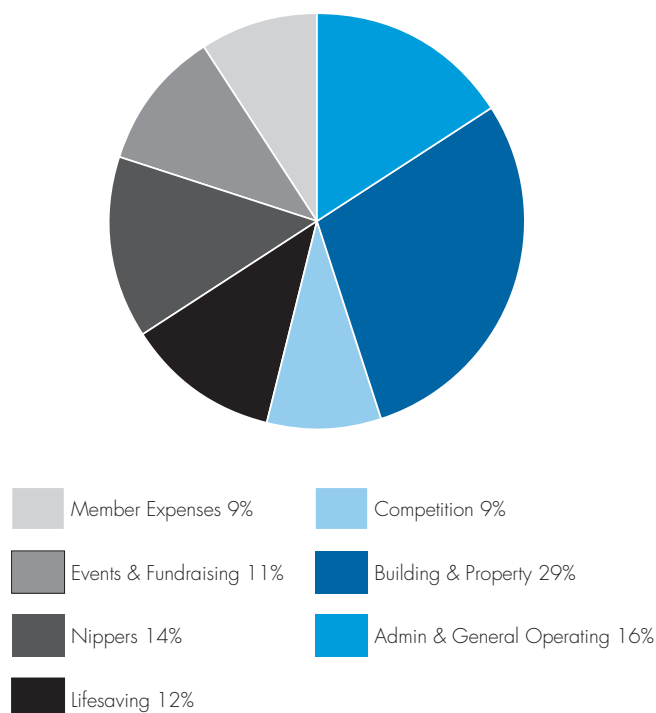

Building & Property expenses increased by 30% due to the installation of clubhouse Shutters, big increases in electricity costs, lift and fire compliance costs are also steadily increasing. We made some improvements to our clubhouse hot water system.

The figures show a 50% decrease in the competition sector due to a reduction in carnival entry fees as our boat section did not participate in the Ocean Thunder Surf Boat Series and we did not send a competition team to the Summer

REVENUE

EXPENDITURE

Australian Championships held in Perth. A number of new racing boards and ski's were purchased throughout the season.

A reduction in costs for the Lifesaving Section has also been recorded as we did not roll over/replace our ATV this season, our club currently has two ATV's. A fully equipped IRB was purchased during this financial period with delivery due in November via the Souths Juniors CDSE grant money along with the purchase of new radios, resus manikins, IRB motors and rescue boards.

Admin/General operations of the club costs have slightly decreased with expenditure in this area including the continued employment of part time office administration which was increased this year to cover Sunday Mornings. Member capitation's continues to take up 30% of this sections costs.

Overall club expenditure for the season decreased by 5% from last year.

Total Overall Expenditure \$444,020

FUNCTIONS, EVENTS AND FUNDRAISING

There were no major changes to the activities performed by the club in the area of Fundraising. The annual Oktoberfest, Sportsman Day and Ocean Swim were held throughout the season, The Oktoberfest and Sportsman Day were profitably activities however a loss was recorded for the Ocean Swim due to the unfavourable conditions on the day resulting in low participation numbers. The annual Golf Day was regrettably cancelled for the season and a small profit was made from the U8 Nipper carnival hosted by South Maroubra.

Sections within the club continue to enjoy returns for their efforts from the Trivia and Boaties 'State of Origin' nights. The IRB Winter Touring team section continues to provide 'water safety' for a number of external events, bringing in funds to offset their touring team accommodation expenses.

Thanks to our Club Licensee Gus Taylor, Caretakers Barry & Leslie, Bar Staff, Tony Shaw (Oktoberfest), Paul Fownes, Yvette & Grant Rutherford, Tom McJannett and Linda Perrin (Sportsman Day), Marcelo Garay (Trivia & U8 Carnival), Phil Stivano (State of Origin Night), Simon Smith and Nicole Cooney (Ocean Swim) and members that contributed to the running of all our club events and fundraising activities.

An increase in expenditure on member activities was recorded this year as we continue to acknowledge and thank our member's for their involvement and contributions. Member Functions included the Gold Members/Associates Function, Start, Mid and End of Season Lifesaving/club socials. Expenditure also went towards a few youth group activities, patrolling members lunches and bar refreshments.

SPONSORSHIP

Souths Juniors donated funds to our club from the CDSE (Randwick ClubGRANTS Scheme) \$40,000 allowing for the purchase of vital lifesaving equipment. Thank you to Matraville RSL also contributing via the CDSE program. Randwick City also honoured long standing agreements with the club and continued their grant to assist the club with expenses related to the building and administration.

We acknowledge the Maroubra Seals Club for their continued support. To Bisley Workwear, Rams, Sydney City Volkswagen, Caltex, Channel 9 Audi Centre and Cameron Airlie from NG Farah for their continued sponsorship and support of our club. Further on in the Annual Report is a list and acknowledgment to all of our club sponsors and supporters where we pass on our sincere thanks and gratitude.

In closing the BOM are still committed to the installation of Solar Panels with a number of grant programs currently under review to assist with this expensive clubhouse improvement. A grant application has been lodged for clubhouse mid floor bathroom and kitchen upgrades. A large financial commitment has also been made by the BOM to complete our clubhouse 'memorabilia' project this coming season along with contractual maintenance planned for the Horizons Room. It would be fare to say that the profits of this season have been earmarked for the coming season.

Thank you to Michelle Lo, June Burgess and Maria Garay for all your assistance in the club office. My personal thanks to club member Kelly Nichols, for her invaluable and expert guidance in the preparation of the financial statements for the club Auditor and finally my sincere thanks to Club Chairman Paul Fownes and Vice Chair Linda Perrin for their encouragement and support of my portfolio over the season.

Principal Activities

The Principal Activity of South Maroubra Surf Life Saving club Incorporated during the financial year was to provide Surf Life Saving Activities

Objectives of the Club Shall Be:

- a) To ensure a safe beach and aquatic environment, including maintaining and improving lifesaving standards at the southern end of Maroubra Beach
- b) To continue to encourage our competitors to compete in sanctioned Surf Life Saving competitions throughout the season
- c) To encourage strong membership
- d) To provide suitable premises and facilities for its members
- e) To encourage the physical and social welfare of its members
- f) To encourage community participation within the membership of the club

Significant Changes

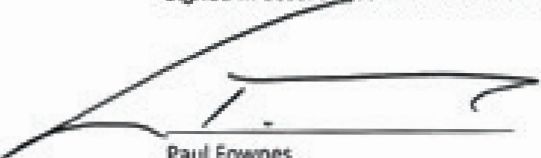

No significant change in the nature of these activities occurred during the year.

Operating Results

The profit for 2018 amounted to \$99,974. (2017: \$42,710)

Dated at Maroubra this 29th day of June 2018.

Signed in accordance with a resolution of the Members to the Committee

Paul Fownes
Club Chairman

FINANCIAL REPORT

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30 APRIL 2018

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act NSW and the NSW Charitable Fundraising Act and Regulations. The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act and the NSW Charitable Fundraising Act and Regulations and the following Australian Accounting Standards:

AASB 108	Accounting Policies, Change in Accounting Estimates and Errors
AASB 102	Inventories
AASB 110	Events Occurring After Reporting Dates
AASB 1031	Materiality

No other applicable Australian Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Boards have been applied.

The financial report is also prepared on an accrual basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuation of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report.

Income Tax

The Club is exempt from payment of income tax under the present provision of the Income Tax Act.

Building

The building in which the club is situated is shown in the accounts as having a value of \$706,200. In the event of termination of the lease of the premises, it is anticipated that the building would not have a realisable value.

Inventories

Inventories are measured at the lower of cost and net realisable value.

Events Subsequent to Balance Date

There were no significant occurring after balance date.

Cash Flow Information

The Club has no credit stand-by or finance facilities in place.

Insurance

A public Liability Insurance Policy is held by the Surf Life Saving Association of Australia Providing inter alia cover for the Club and members of the Club whilst engaged in lifesaving activities or properly authorised duties as approved by the Club.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2018

Fundraising Activities

Charitable Fundraising Act 1991: this act and supporting Charitable Fundraising Regulation prescribe the manner in which fundraising appeals are conducted, controlled and reported in NSW. The amounts shown at Note 8 are in accordance with the Authority Condition 7, which is issued to the Club under Section 19 of the Act. **Donations and bequests:** are returned as income as and only when received at the Club's administration office or deposited into the Club's bank account. As specified in the Act, unsolicited donations, members' donations and bequests are not treated as fundraising income when determining information required under the Act.

Cost of fundraising: cost use in Note 8 include all direct fundraising costs in accordance with the Act. The inclusion of indirect costs is discretionary. Indirect costs excluded, include overheads such as the time spent by accounting or office staff administering appeals.

Total Income from Other Sources	<u>167,558</u>	<u>186,876</u>

COMMITTEE'S DECLARATION

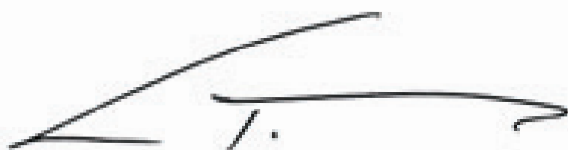

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 in the financial statements.

In the opinion of the committee the financial report as set out in this report:

1. Presents a true and fair view of the financial position of South Maroubra Surf Life Saving Club Incorporated as 30 April 2018 and its statement of comprehensive income for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that South Maroubra Surf Life Saving Club Incorporated will be able to pay its debts as and when they fall due.
3. The provisions of the Charitable Fundraising Act 1991, the Regulations under the Act and the conditions attached to the authority have been complied with; and
4. The internal controls exercised by the South Maroubra SLSC Inc. are appropriate and effective in accounting for all income received and applied by the South Maroubra SLSC Inc. from any of its fundraising appeals.

Dated at Maroubra this 29th day of June 2018.

Signed in accordance with a resolution of the Committee.

CLUB CHAIRMAN – PAUL FOWNES

DIRECTOR OF FINANCE – YVETTE RETHERFORD

INDEPENDENT AUDIT REPORT TO THE MEMBERS

Opinion

We have audited the financial report of South Maroubra Surf Life Saving Club Incorporated (the Association), which comprises the statement of financial position as at 30th April 2018, the statement of profit and loss, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion the accompanying financial report of South Maroubra Surf Life Saving Club Incorporated, is in accordance with the *Associations Incorporation Act 2009* (NSW), including:

- (a) Giving a true and fair view of the association's financial position as at 30th April 2018, and of its financial performance for the year then ended; and
- (b) That the financial records kept by the association are such as to enable financial statements to be prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The committee of the association is responsible for the other information. The other information comprises the information included in the association's annual report for the year ended 30th April 2018, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDIT REPORT TO THE MEMBERS

Responsibilities of the Committee for the Financial Report

The committee of the association is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Associations Incorporation Act 2009* (NSW), and for such internal control as the committee determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the ability of the association to continue as a going concern disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDIT REPORT TO THE MEMBERS

Money received as a result of fundraising appeals conducted during the year have been properly accounted for and applied in accordance with the *Charitable Fundraising Act 1991* and the regulations.

Emphasis of Matter

As is common for an organisation of this type, it is not practicable for South Maroubra Surf Life Saving Club Incorporated to maintain an effective system of internal control over donations, subscription and other fundraising activities until their initial entry in the accounting records. Accordingly, our audit in relation to funds was limited to the amounts recorded.

LICENSEE REPORT

Once again, another wonderful year with all things social with the Best Surf Club in the world. I must say it's very easy to execute the tasks of Licensee as there are so many wonderful, friendly and joyous people and occasions to fill our calendar. Whilst appreciating that our fundamental core business is saving lives and serving our community, can I please take this opportunity to emphasise the importance that we come together on a regular social basis and raise a glass to each other and the wonderful and heroic job that we do in serving our beach.

This is the time where I would like to remind everyone that our Bernie Kelly bar is open each and every Sunday throughout the season from 10:30am until there is no more people. The bar is also open to the public at this time and I was reminded many times through the season that we had "the best kept secret" in Sydney. This is why I would like to eagerly invite you to conduct all your personal celebrations and occasions on Sundays down at the Bernie Kelly Bar, because you get all the facilities for free and if you give us notice we can set tables up for your party. It's a wonderful Sunday feeling sitting at tables on the beachside lawn listening to laid back music.

February 22 saw a new social initiative where the SMOF's were joined by many past and present members to celebrate everything blu-ing. The day was organised in conjunction with Jack Stent Shaw. Many thanks to Linda Perrin who provided a wonderful slide show highlighting the life of Bernie Kelly in particular, but also the wonderful history of South Maroubra Surf Life Saving Club. Bernie's brother also kindly donated a sum to be put behind the bar. Bluey Jenvey performed admirably as celebrity guest chef. Stretch gave a great speech welcoming and honouring all past members whilst thanking current members for their attendance. Hopefully this day can become an annual event.

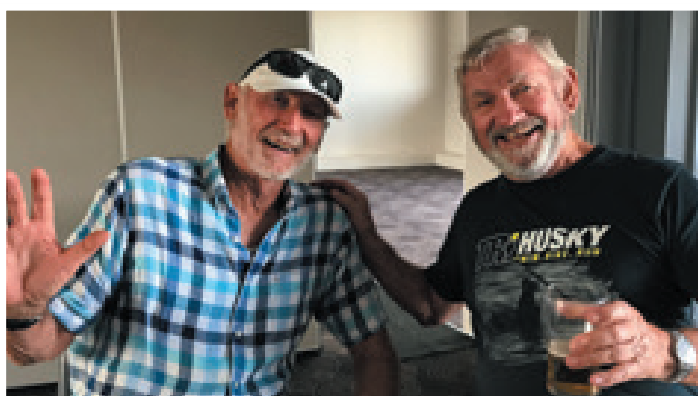

As usual, our season just gone, saw some wonderful events held. The NRL Grand Final day celebration was once again a huge hit with some really good numbers and heaps of fun with auctions and first try scorers, Clive Churchill medal raffles and more. Oktoberfest proved a monster event again with the hoards making their way out onto the park to serve up the great Bavarian food fare and the wheat beer by the gallon. The Oompapa band entertained all and sundry throughout the day. BBQ team was again headed up by Jack STENT Shaw with his trusty crew of cooks and servers; Bob Higgins, Peter Bulldog Murphy, Bob McCoid, Bluey Jenvey, Gillian, Christine, John "Skid" Marks, Tony The Bone Johnson, Duggie, Geoff the Fireman, Jen, Tenley, Cait, Helen (Jen's sister). The cash registers were well managed by Rainy Taylor, Shelly Dubois, Ann Engel and Linda Perrin. The bar with the German liquid amber flowing, as ever, was professionally manned by Lionel Roser, Richard Engel, The Brick and Big Dave with Nick Mellick, Tom McJannett, Trevor Perrin and Greg Morris providing crucial logistic support. I would like to thank Oscar Zechner from Pure Drop Liquor for their ongoing support and sponsorship for our Oktoberfest event.

All of our traditional social days on our season's calendar were well supported and a great time was had by all. Australia Day Big BBQ, Good Friday Fish BBQ, State Of Origin night and almost ruined by the invading Cane Toad Stretch. The annual Sportsman's luncheon early in the year saw another full house sign go up and a great day was had by all.

In closing, I would like to specifically mention the following people for their unwavering support, help and assistance in executing the big days and running the bar and licence to meet all the requirements:

- Barry "Caretaker BAZ" Osborne. Put very simply, I would not be able to get through the year without Baz and his wonderful support and many, many hours of work both front and back of house. A lot of the hard work that Baz does goes unchecked and without notice. Baz is always there when the club needs him and he is a great support person for me. The ever-lovely Lesley is always on hand to help as well.
- Ken "Life member" Hudson and Tony "Head" Shaw were instrumental in organising the Oktoberfest committee and working through the enormity of the task and working with me in getting the job done. The logistics, preparation and execution of Oktoberfest is monumental in task and with these two gentlemen it was an absolute pleasure to work alongside.

- The BOM as always were there when needed and their support and guidance were greatly appreciated, especially Yvette Rutherford and Linda Perrin.
- Mick Fisher and the mighty Souths Juniors are a truly wonderful supporter of our great Club. Mick has this uncanny knack to make you feel at ease whenever asking for help or logistical assistance. Throughout the year, I reached out many times to Mick asking for help in many different shapes and forms and each and every time I received support and help in waves.
- Jack "STENT" Shaw from The Seals Club provides me and our great Club with magnificent logistical support and assistance whenever asked. The Seals Club through Jack is always there when needed often at minimal to no notice.
- Paul STRETCH Fownes OAM is nothing short of a truly magnificent inspiration. I am drawn back to the club each and every year because Stretch provides a volunteering environment where the entire team's work and efforts are appreciated and a magnificent team environment is instilled, encouraged and maintained. It is an absolute pleasure to volunteer under Stretch's management and leadership and I look forward to doing the same in season 2018/19.

If I have left your name out it was not deliberate and by bringing this to my attention next time you see me behind the bar it will be a pleasure to buy you a drink (on Stretch's account of course).

Looking forward to raising a glass with you in season 2018/19.

Your Friendly Licensee

GUS TAYLOR

BUILDING CO-ORDINATORS REPORT

Our club house represents stability, certainty and is the one consistency year in and year out that deserves and needs our constant attention and respect. Once again, our club house continued to provide for the diverse range of activities that it encounters each year whether it be accommodating local schools, Council groups, NSW Police or a range of government agencies, local events, training or just a Sunday social for members and our many friends.

During the year and in order to continue club improvements the committee focused on several projects and sourcing of funding for those projects. The completed project this year was the security shutter project which allowed for the installation and protection against harsh weather conditions for the Horizons room, replacement of ageing and heavy shutters in the patrol storage room, boat shed and nipper room and is already seeing a more safe and pleasurable experience for users. I would like to thank Michael Daley MP who supported this project through the Community Building Partnership.

Members also appreciated the significant improvement to our external PA system which allows nippers and families to hear the weekly instructions from club officials along with high quality music for those throwing a blanket on the ground whilst having a refreshment on the grass.

The other ongoing project and reported on elsewhere in this report is the Memorabilia Project which will provide a modern overview of our club history and should come to fruition next season.

I would like to take this opportunity of thanking Ken Hudson, Caretakers Barry and Leslie that do so much to keep the place in tip top working order. I don't think members

appreciate the extent of cleaning that goes on weekly to keep the club in a presentable state. I remind members, in particular patrol and IRB members that we are not permitted to deposit sand on the paving (car park side of the club) as it presents a slip hazard for those walking around the club plus has council cleaning after us. Taps have been installed near the patrol tower to allow for washing of IRBs and Jet Skis.

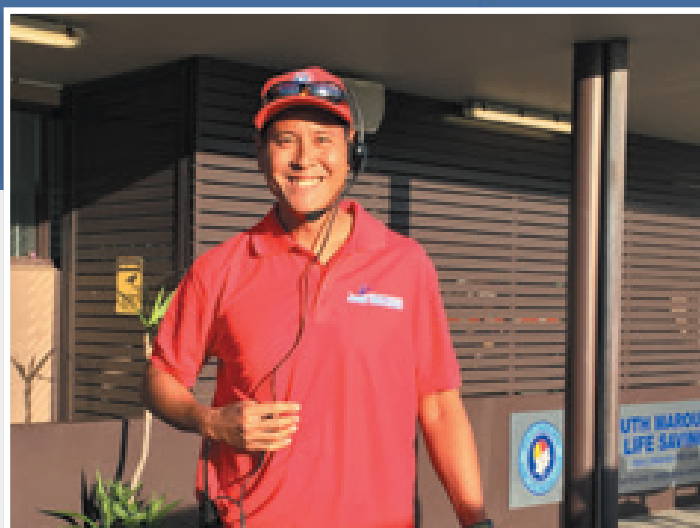

Finally, I am excited to announce we are seeking a line of funding for;

- improvements to our toilets on the middle floor with creation of female toilets and full renovation of the mens shower room toilet and installation of a disabled toilet.

Lets see how we go, but be assured we are committed to providing the best possible club for members enjoyment and a base for our lifesaving activities.

PAUL 'STRETCH' FOWNES OAM

Building Coordinator

SMOFs

DIRECTOR OF LIFESAVING REPORT

What another great year for our lifesaving services. Our beach continues to see more or more visits and our members keep evolving to meet this increasing demand.

As you will see from our education report the team has been hard at work this year training new lifesavers and upskilling the current member base with a huge spike in numbers. Mike and his team have trained 40 new bronzes over the year up from 29 the year before. This injection of new members is critical in maintaining a healthy workload across all our members.

On the beach we had a few large swell weeks at the start of season change the beach for what ended up being the lowest rescue numbers in the year for well over a decade. This was due to the increase in preventive actions by our members that were up over 30%. The other main factor was a large sand bank that was created with the large swells. This bank formed a safe place for swimmers for most the season with very low rip activity. Even our south rip wasn't running as hot as normal all contributing to our lower than average rescue stats.

Outside patrol hours we have had 2 great examples that our training and service that we provide to the community doesn't end on the weekend. Shane White and Brett Milsop both were involved in after hour's rescues that from all accounts prevented a tragedy.

Our members preform a number of external water safety activities throughout the year. We provided over 60 members to 3 ocean swims around Sydney. We also did our first patrol weekend at Garie SLSC to support the club with its patrol requirements and expose our members to other beaches and patrolling methods. We are hoping this weekend at Garie will be an ongoing part of our lifesaving calendar

This year branch along with our Lifesaving Committee relocated the branch jet ski (RWC) but to its original home at South Maroubra. It has been over 10 years since it has been housed at our club. To help support this branch service our club also put forward 5 new RWC drivers this year. Many of which were our more experienced lifesavers looking for the next challenge. Our location and depth of highly skilled motor craft operators makes South Maroubra a great fit.

This year I had the privilege of sharing the skill and knowledge that I have learnt at South Maroubra with young lifesavers from clubs around NSW. This group then travelled to New Zealand on a lifesaving exchange where we shared techniques and different challenges clubs/lifesavers face.

This was a great experience and even after 20 years on the beach I learnt a lot and came back even more proud of our club and members than when I left.

At the start of this year with the generosity of Site Pizza Bar the Lifesaving Committee introduced a monthly internal recognition program for a patrolling members. The Patrol member of the month award gave our members a change to recognise their peers for outstanding service.

The program was a great success and the awardees were:

- **October:** Patrol Member of the Month: Brad Ellison - Patrol 4
- **October:** Patrol Captain of the Month: John Counter - Patrol 1
- **November:** Patrol Member of the Month: Tyler Davis - Patrol 14
- **November:** Patrol Member of the Month: Darren Saunders - Patrol 13
- **January:** Patrol Member of the Month: Joao Jorge - Patrol 10
- **January:** Patrol Member of the Month: Jon Rhoades - Patrol 6
- **February:** Patrol Member of the Month: Brett Milsop - Patrol 12
- **February:** Patrol Captain of the Month: Carl Briscoe - Patrol AR1

- **March:** Patrol Member of the Month: Ashleigh Wallis-Breaden - Patrol 7
- **March:** Patrol Member of the Month: Shane White - Patrol AR3
- **April:** Patrol Member of the Month: Hugo Defina-Sperando - Patrol 10
- **April:** Patrol Member of the Month: Sean Lewis - Patrol 10

Lastly I would like to make some thanks, firstly to Ronny Krite the Assistant Director of Lifesaving. I have spent a lot of time this year doing external lifesaving projects and Ronny has been there to cover me and much more. Our Patrol Captains and Lifesaving Committee members for the hard work and leadership they provide for their teams, to all our lifesavers well done on another year of no lives lost.

Our services could not be provided without the continues support from our sponsors. Big thanks to Souths Juniors, Randwick Club, Caltex, Maroubra Seals and Randwick City Council.

Yours in Lifesaving

EDUCATION REPORT

Another season gone, and once again what a busy one it was for our Education team. Our main focus this season was to boost our numbers in both the Bronze Medallion and other senior awards and I am proud to say that our small team of trainers achieved just that. We hit our target of 40 new Bronze Medallion members which is our highest number in the last 4-5 seasons. This is something we will look to grow even further in the season to come. A special mention has to go to Nicole Cooney who puts a lot of time and effort into advertising our Bronze courses which we are seeing bring in more people each year.

On top of the Bronze award, our trainers all played a hand in training a number of other senior awards such as IRB drivers and crew, ARTC (advanced reputation) and spinal awards. All up we put through around 50 extra senior awards compared to last year so a massive thanks to all our trainers for firstly making themselves available to train these courses, but also getting out there and recruiting members to up-skill. To add to this, a massive thank you has to go to the Cathie Hall who took the lead on all of our proficiencies. She, along with a few other trainers, put through 333 proficiencies in 4 sessions which is a huge effort. Every proficiency was handled extremely well and covered everything it needed to.

This season also saw a healthy intake into courses that we haven't had much interest in over the last few years. Through actively promoting these courses to members we are getting more interest which I believe will go a long way in ensuring we retain our members. One of these awards included the RWC (Jet Ski) award which has provided a new path for our IRB drivers to get out there and try something different. We also had two members complete their Gold Medallion which is a feat we haven't seen in a fair while. Hopefully off the back of that we can build on those numbers in the future.

The team also welcomed new trainee trainer Isabella Garay into the ranks. Bella came up through Nippers, completed

her SRC and then her Bronze last season. From there, she discovered her desire to train and to pass on her knowledge to others. Bella assisted Nicole in training both our SRC squads, barely missing a session, on top of her patrol duties where she was on the beach pretty much every Sunday. Bella presents with a maturity well beyond her years and her confidence in delivering course content is second to none. As a result, Bella has earned herself the title of Rookie Trainer of the Year. Well done Bella!

To the rest of our trainers, I say it every year on multiple occasions, however thank you so much for all your efforts in training our members. I personally think it is one of the more time-consuming gigs within our club with a number of late weeknights and early weekend mornings. To have the level of commitment you all do, on top of your regular patrolling duties and everyday lives is really something special. At the end of the day if we aren't training new members and upskilling current ones, we eventually won't have anyone to field a patrol, so again thank you all so much for all the work you do.

Breakdown of training:

Cathie – Was involved in pretty much every award this season. Cathie trained 2 Bronze courses, 2 spinal courses, and an ARTC. She also ran all of our proficiencies, on top of working towards becoming a facilitator of SMAR and Beach m\Management and assessing a number of awards within the Branch! An absolute huge and inspiring effort from Cath.

Jay – Another massive effort from Jay this season, training 2 Bronze courses and 2 IRB courses. The way our training schedule is, means Jay starts training in August first up with IRB and doesn't stop until the last Bronze course near the end of the season. It's a large workload that spans from before the season even starts which is a massive credit to him.

Ronny – Played a hand in training 2 Bronze courses and a couple IRB courses as well. Like Jay, Ronny had quite a long season training.

Nixy – Nixy took the lead on our fitness training for both Bronze squads. These are an extra session we have introduced where the group can come down once a week and do a series of Run-Swim-Runs to help build their fitness and surf skills for their assessment. This has proven not only to help with the candidates' fitness but has gone a long way in building stronger relationships between candidates which at the end of the day will aid in retention. On top of this Nixy also assisted training a Spinal course.

Kelly – Kel had a big year this year planning a wedding! This didn't stop her still pitching in with training, going on to train a Bronze squad at the beginning of the season as well as running a Spinal course and helping out with a couple of sessions with the last Bronze squad of the season.

Nicole – As always, Nicole did an excellent job training our younger SRC candidates. It's not the easiest job in the world at times but Nicole always puts in a huge effort bringing

through quality young lifesavers. She does this on top of a number of other roles she holds within the club, all of which are extremely time consuming. To still put in time to train squads is a massive effort and a big credit to her.

Bella – was outstanding in her first season as a Rookie trainer, helping Nicole train 2 SRC squads this season on her way to earning the Rookie Trainer of the Year!

Darren – was away for work a lot this season however still helped where he could, particularly with the fitness training.

Finally, a big thank you to our assessors who give up their time assessing other clubs within the Branch. John R, John C, Vince, Robbo and Cath. Your dedication not only to your Club but to the Branch as well is a massive credit to you all so thank you.

Until next season.

DIRECTOR OF YOUTH REPORT

Five seasons ago, I was elected as your Director, what an amazing experience it has been. My main objective was to develop our section and for our nipper program to be best one in our branch and Sydney. As I write my last Annual Report as your director, I look back and can confidently say that I have achieved this objective.

The foundations of our junior section are strong; and with the right members, their commitment and passion, I'm certain the section will continue to evolve to be stronger and stronger.

I'm proud to be part of a team that professionally delivers a well-structured, inclusive and family oriented nipper program.

The 2017-2018 season was another successful one where our young lifesavers at training had an amazing time learning and developing the skills to become much needed lifesavers for our community. As in previous seasons, we highly focused on member engagement, member participation, retention and looking at ways how to improve even more our customer's experience.

The professionalism, commitment and knowledge of our volunteers has been the key to the success of our program.

We pride our program in being focused on inclusivity and

education whilst maintaining a well balance approach to competition and normal nipper activities, all done and delivered through a well structure program in a family focused and fun environment.

This season we reached a massive milestone, and that was reaching 700 nippers at our beach, disappointingly, it meant that we could not accept more registrations as we were in full capacity. We commenced our season with a similar calendar as previous seasons. Again, this season we were blessed with favourable weather and water conditions allowing our young lifesavers at training to do more water activities.

We were honoured to be visited by one of our fans, young Archer Irwin. Archer has the chance to be a nipper for the day, and was also made an honorary nipper of our club. Archer had been following our nippers from the TV show filmed last year, which lead to his family asking whether we could get some memorabilia from the show, instead we invited Archer to spend the day with us where he was able to meet his TV stars. Archer was presented with the club's full competition uniform, as well as his own nipper cap. After spending the afternoon with his new friends, Archer and his family joined the rest of the nipper family to an evening of music and fun at our Twilight disco. What a magnificent day we all had with Archer and his family. Thanks Archer and family for spending the day with us and allowing us to be part of Archer's day, we loved every single minute of it.

We recognised our 100%+ attendance awards, introduced extra Twilight nipper days, hosted our annual Nipper Disco, hosted the inaugural U8s South Maroubra Challenge Carnival and held a number of BBQ activities throughout the season to finish off with the Annual Trivia night, indeed, we had a successful and rather busy season.

DIRECTOR OF YOUTH REPORT (CONTINUED)

Congratulations and huge THANK YOU to our Junior Captains Angelina Garay and Oscar Ortolani, you both did our club and your family proud, making it to the finals of the Junior Lifesaver competition and working tirelessly throughout the season supporting me and the nipper community. Your commitment, approach and willingness to be there to support and being an exemplary role model did not go unnoticed, best wishes in your senior path at our club.

U6s, U7s and U8s group represented over 50% of our junior member base, with 130+ new future lifesavers to our U6s groups led by our U6s/U7s coordinator Lauren McLean and managed by Philippa Stanley, Victoria Gibbons and Tony Jenkin, all supported by our amazing beach crew team, a job well done by all!

We also sadly farewelled our U14s Young Lifesavers as they've graduated from the program. I wish them the very best in the senior ranks, and I thank Carlo Ortolani and his team for your support and work over the many years you worked with these nippers.

Our U8s made the move to the 'big side' of the 'beach', the transition was seamless. Both groups were managed by Luke Ellis, Pat Capaan, Ben Liqueite and Renae McNamara, and of course, supported by our amazing Beach Crew. Thanks for your commitment and support. Kids participated and enjoyed thoroughly their nipper Sundays and the new challenges. A large number successfully represented South Maroubra SLSC at several carnivals and Branch, making their parents and the club very proud.

To my U9s to U13s Age Managers, thank you for your continuous support and commitment.

Our team of photographers grew with the arrival of Helen Di Domenico to complement Claire McCabe, both did an amazing job roaming our beach in the background capturing the activities our young lifesavers in action. Thanks so much ladies.

To past junior members that volunteered their time to mentor and share your knowledge with our nippers, I thank you. We appreciate your commitment and time, our nippers thoroughly enjoy having you around.

In order to develop great lifesavers and assets to the community, we invest a lot of resources focussing on lifesaving skills at the beach and Education and development of our young members and family members. During the past season, we delivered a number of training courses, with a number of our nippers attending and representing our club at the Junior Development camps.

EDUCATION SUMMARY

- 594 achieved their age appropriate Surf-Education awards
- 16 U13s/U14s achieved their SRCs and are actively patrolling our beach
- 30 Parents achieved their Age Managers award
- A large number of parents achieved their BMs, all doing active patrols and water safety
- Several parents achieved their Level 1 Official award
- Several parents achieved their Silver Medallion Basic Beach Management award
- Several parents achieved their Spinal Management Award
- Several parents also achieved their IRB certificates (Crewman/Driver)

A number of our future young leaders from the U11s and U13s represented our club at the Sydney Branch Nipper Development camps. They learnt and shared valuable leadership skills whilst furthering their lifesaving skills, all delivered in a well organised program.

COMPETITION/TRAINING

This Season's nipper training program was well structured, inclusive, and thorough, providing a more flexible approach, allowing working parents/carers to take advantage of the program for their children. With the support of our board coaches, we started board training in early August, and it was a huge success.

We had big numbers in water training attendance; we had a large number of children attending Surf swimming as well

as Board training, this reflected on the improved skills and confidence that our nippers showed at normal nipper days, as well as competitions.

Sand training was also developed further, providing again a well-structured and flexible program, we saw our attendance soar, what a great achievement.

To our Junior Head Coach and Competition Manager (Col Marshall) and coaches (Andy Newrick, Max Murphy, Darren McLean and Marty Kiernan) I thank you for your guidance, support and encouragement. Your knowledge and commitment is appreciated. Please remember that all of our coaches are volunteers and give us their time to train our nippers, it is rewarding to see how these young athletes develop to become great lifesavers. Thanks for your commitment and support.

Our nipper represented our club at several events during the season all over Sydney, Northern and Illawarra Branches, they wore and represented our colours with pride, enthusiasm and competed in a fair and friendly manner.

Sydney Branch was hosted by Maroubra SLSC for the third year in a row. With a large contingency of competitors, we managed to secure great results in water and sand. Well done to all nippers that attended.

Second year at Swansea-Blacksmith for the State Championships. We had a large contingency of 100+ representing South Maroubra, the team participated and competed in friendly and fair manner, placing 10th in the State. Fifth year in a row that South Maroubra Nippers has placed in the top 10s at State Level, an amazing achievement. Fantastic work of the management team and coaches and a magnificent effort by our athletes...

Well done!

And once again, Deanne Goldschmidt outdid herself by designing a unique and beautiful uniform for our team, we were the envy of many clubs at State, Thanks so much Deanne.

AWARDS/PRESENTATIONS

Presentation days were conducted as per our season calendar; our young U6s, U7s and U8s were presented with their medals, certificates and awards. It was followed several weeks later by the presentation to the rest of the nipper group, the day was filled with excitement and fun, and it was great to present the well-deserved awards, certificates and medals.

Congratulations to the nippers that were awarded with their 100%, 200%, 300%+ attendance trophies, a well-deserved award and recognition to the nippers and families for such commitment, and of course, congratulations to the recipients of the Coaches and Age Manager's awards.

This year we introduced our Junior Club Championships replacing the old Point scoring system, Congratulations to all nippers that received medals at the Championships and also Congrats to our Club Champions in your Age Group. The Bruce Rutherford Memorial Award for the most outstanding surf female nipper competitor of the season was awarded to Maddison Neill, a well-deserved recipient, Congratulations Maddison.

The Surf lifesaving movement is delivered and managed by volunteers, our club is run and managed by a great bunch of volunteers that share the same vision and commitment to make our club great.

DIRECTOR OF YOUTH REPORT (CONTINUED)

To all the volunteers that gave up your time and efforts to support us during the season and ensure the program would be delivered successfully, a massive thank you!

The nipper executive committee did an amazing job and Greg Shaw and his Patrol 14, thanks for supporting us during the season.

The dedication of the Club training officers is to be commended in helping our future lifesavers and parents learn more about the surf, beach conditions and valuable lifesaving skills. Thanks to the Club's education team led by Mike Fernandez, I'd like to also express my gratitude to Nicole Cooney for the magnificent work she does with our SRCs, supported by our young trainer Isabella Garay, also big thanks to Kelly Fernandez for all the work you put in every year to support our Nippers.

It is important to recognise the people involved in delivering the program and the enormous amount of work that is put in to deliver it successfully, as soon as the season finishes preparation and planning for the following season commences. The commitment and efforts of these volunteers is amazing and most of the time will go unnoticed.

To my amazing Beach Crew team, the support you provide to the Age Managers and Nippers is amazing. I thank you for your commitment, time, persistence and patience. The work and time you put in the development of our young lifesavers at training is invaluable.

Packing and unpacking the beach is a task that many of you are not familiar with and not an easy one, 7AM on a Sunday morning is a norm for our gear steward and support team followed by the pack up which is completed an hour or so after the last nippers have left the beach. I'd like to recognise and thank Paul Ryan, Damien Alexiou and Brett Milsop for your support and dedication.

Thank you to our officials that have supported our section over the years, I congratulate the parents/carers that achieved their Official awards and officiated during the season.

Thanks to our nipper partners Sydney City Volkswagen, RAMS Sydney East Sydney, CSJ Seafood and Channel 9.

Thanks to the club's major sponsors – Maroubra Seals Club, The Juniors, Randwick City Council, Botany City Council & the NSW Government. To the local businesses that support our nipper program – namely Look Design, Mick Fisher and the many businesses that sponsored our U8s South Maroubra Challenge and our Trivia Night, I thank you.

To the volunteers that put their hand up to support us, whether on Sundays or at events, being Water Safety, BBQ duties and many other important tasks, I thank you.

To the nipper family and community, I hope that you enjoyed last season and are looking to season 2018/2019. I sincerely thank you for your support, efforts and commitment; you play an instrumental role in the success of our program.

To my family, I could not have done what I have achieved over the past 5 seasons without your unconditional support, love and patience. Thanks to you all for the support and encouragement you have and continuously give me.

In closing, I would like to thank my fellow Club Directors for your support and commitment; I extend my thanks to those within Sydney Branch for their ongoing support shown to our club, being supporting the Randwick Shield, our U8s Junior Carnival, at other carnivals, jet ski/IRB support or via administration in general. Thanks to the BJD and to the Sydney Branch BOSS for their commitment and support to the Branches EAP, Dev and HP squad activities.

It has been an honour to be your director and manage such a wonderful section, I am proud to be part of South Maroubra surf club and being able to contribute my bit to our community.

Go South Maroubra!!!

Warm regards,

MARCELO GARAY

DIRECTOR OF COMPETITION REPORT

The 2017/18 season has been a much improved year for our competition section of the club. Coming into the role my main focus was converting our nippers into successful competitors and lifesavers. We moved in the right direction to build not only our strength as a team but also our team culture. A big thanks to all our coaches and supporters this year.

A special mention to Chris Stokes who ran many hours of board and surf training, Dave Lowlett for all his hard work coaching the mal riders and Michelle Lo who behind the scenes has made life easy for me and countless times pushed me in the right direction.

A big issue that started to become evident to me at the start of my tenure was the lack of competition equipment. I am proud to say that the club has generously purchased 2 new racing mals and 2 new adjustable racing skis to further develop our athletes. Thanks must go to our local MP Michael Daley who has helped us gain a grant to purchase a brand new surf boat which is on its way. Thank you to Yvette for helping with the painful grant application process.

Our masters who have traditionally been strong throughout the years continued to perform with our "Masterettes" women claiming many medals at carnivals throughout the year. Kristy Smith lead the way taking home Bronze in the beach sprint and Silver in the flags at the 2018 Masters NSW Surf Life Savings Championship. 2018 marked a comeback from an old sea dog/club stalwart Michael "Murph" Renford. Murph left the state titles chuffed with a gold in the Surf Race and Rescue Tube but he was most pleased with his Silver in the 130 years Surf teams that he shared with Dave Dubois "Dubbo" and Dave Lowlett.

Other notable results from Masters state titles include a silver for Dave Dubois & Shane White in the Board Rescue, Silver for David Smith Beach sprint (60 – 64), Silver Jayson Lincoln Beach sprint (45 – 49), Gold to Max Murphy beach sprint (70+) and Gold for the 230-year minimum Beach relay. Combined these 4 masters athletes have done more carnivals then I've had hot dinners. Great to see they still love it after all this time.

It was very pleasing to see the transition of 4 South Maroubra nippers graduates competing for the club all summer Drew McJannett, Toby Goldschmidt, Cooper Stokes and Luc Christensen. The boys took part in many carnivals

throughout the season with lots of ups and downs but they worked extremely hard on the board and in the surf as well as numerous pool sessions a week to ensure their conditioning was up to scratch for the rigorous demands of multi event carnivals. At the 2018 NSW Open Surf Life Savings Championship, Cooper and Luc managed to make the Semis of the board rescue at the state titles, these two are a team to watch in the near future in this event. Toby, Drew, Cooper and Luc all made it through 4 gruelling iron man rounds to get into the semis with Drew progressing to the final and achieving a respectable 13th place in a tough field. Collectively they finished 5th in the swim teams and 6th in the Cameron relay.

Drew McJannett made his club and family proud, the South Maroubra nipper graduate survived 3 hard days of competition at the NSW Championships to make the final of the U15's Surf Race. Drew got a good start off the line and used his fantastic surf skills, acquired over years of training at South Maroubra with many great nipper coaches, to navigate his way through the break and out to the cans, he held strong and powered home never once relinquishing the number 1 spot. A flawless finish and dash up the beach cemented his win and place in the record books. His team mates were thrilled, and Drew was glad to share the moment with such a great bunch of boys and parents.

Never doubt a competitor from South Maroubra.

Thank You

TOM MCJANNETT

IRB COMPETITION REPORT

Another season is underway, as our IRB Team battles the winter chill and takes to the beaches to compete in the NSW IRB Premiership, NSW State Championship and the SLSA Australian IRB Titles.

It was an exciting start to the 2018 NSW Sharkskin IRB Premiership season at Stockton Beach with the largest ever first-round of entries kicking off the season. Two days of perfect conditions and weather provided a fantastic start for our IRB team and great opportunity for our new drivers to shake the nerves. Our team managed to make 12 finals to finish off Round 1 of the competition.

Round 2 was held up at The Lakes which delivered rough conditions with our competitors negotiating a challenging shore break. Our team banded together to help each other out each race of the competition and were able to make it to the end. It was a tough two days of competition, resulting in 9 finals. While this carnival was challenging, it provided great experience for the team for the rest of the season.

Umina Beach is where our IRB competitors headed to for Round 3. Unfortunately, conditions were not in our favour with the carnival being cancelled due to dangerous surf conditions. With that, our competitors headed home, focused on the extra time to prepare for the final round of the series.

Caves Beach was the host of the final round of the premiership series. We only had a small team entered into

this round but that didn't stop us from putting our best foot forward. The weather was sunny with a chilly wind and surf conditions were flat, providing a long course for our competitors. Although we had a small team we still managed to be in 10 finals to round off the series. We walked away with great results for some of our teams in the overall point score. South Maroubra came 8th overall out of the 26 clubs that competed.

The NSW IRB State Championships will be held at South West Rocks, followed by the IRB Australian Titles held at Thirroul. With the two major carnivals fast approaching, our team is focusing and gearing up for some great competition! I look forward to seeing how our team performs when they showcase their racing skills at the championship rounds.

Looking forward to great performances.

MASTERS REPORT

The 2017/2018 season brought great success to South Maroubra in the Masters section.

Starting off with the extraordinary club comradery with all our masters. All our competitors not only were exceptional on the start line, but they gave many combined hours to patrolling our beach.

As a team, South Maroubra Masters competitors came 4th in the overall point score at Sydney Branch Championships, which was a magnificent effort by all.

At the State Championships in March, our Masters out did themselves and placed 13th with over 80 clubs competing. Again, a really great result.

Each year our results exceed the previous year, and this momentum does not look like it will slow down. Our team member base is also increasing year by year, which is testimony to the commitment of our members as well as our coaches.

Special gratitude goes to all our officials, administration, and coaches for their behind the scenes assistance that is so important to the team throughout the season.

Some of the highlights at State Championships this season from our male competitors:

- 230 year Male Beach Relay - Gold
Maxwell Murphy, Andrew Newrick, John Rooney, Jayson Lincoln
- Michael Renford - Gold 55-59 Male Rescue Tube Race, and Surf Race
- Jayson Lincoln - Silver 45-49 Male Sprint
- Maxwell Murphy - Silver 70 years Beach Flags
- 130 year Male Surf Team - Silver
David Dubois, David Lowlett, Michael Renford
- David Smith - Silver 60-64 Beach Flags and Beach Sprint
- David Dubois and Shane White also brought Bronze coloured bling back from State Championships

Our Masteretts second year has been wildly successful too. A massive improvement year-on-year has also brought medals home for:

- Kristy Smith - Silver 40-44 Female Beach Sprint and Bronze 40-44 Beach Flags
- Masterettes 170 year Female Beach Relay - Bronze
Kristy Smith, Thelma Milsop, Ashleigh Braeden, Nixy Krite

We also had hugely successful Branch and interclub carnivals which our Masters team successfully put their best efforts on show in the lead up to the State Championships.

A huge shout out to our veteran competitor Max Murphy who was our only Master Competitor at Aussies in Perth this year. Max had a very successful championships event winning the Gold in the 70 year Sprint, and Bronze in the 70 years Flags.

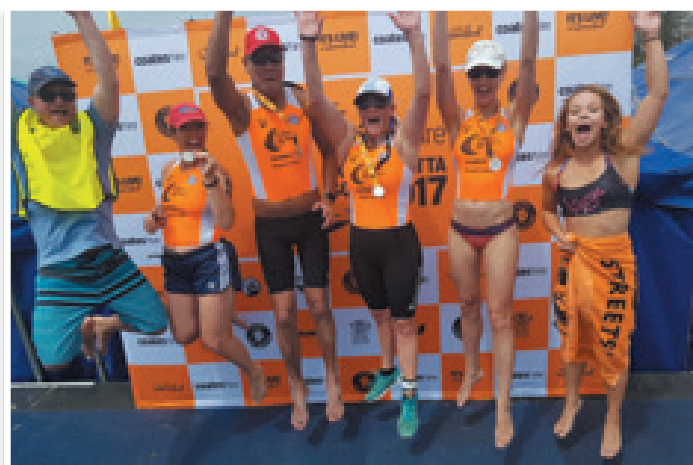

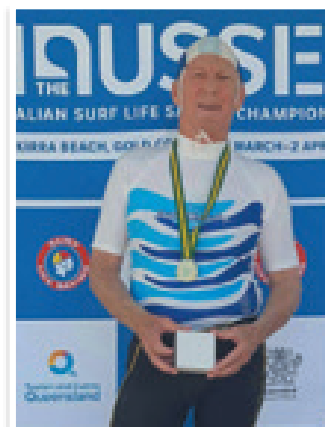

I will also mention that this year, our Masters did our club proud as they competed in the Coolangatta Gold. Competition was at its highest level. These Masters competitors also trained through winter to compete for the Cooly:

- David Lowlett, Ronny Krite - Bronze in Open Relay Long Course
- Kelly Fernandez, Simon Smith, Nixy Krite - Successfully completed the Short Course

Overall, it was a spectacular year of Masters competing, training, and development. The comradeship has always been special in the Masters team, and I am looking forward to another successful year ahead.

SURF BOAT REPORT

The 2018 season was a rebuilding season for our club. Due to injuries and some withdrawals, The WeaponVets crew were our only representatives to make the starting line.

After an outstanding start to their junior career, The Rookies crew ended up having this season off. After a few attempts at filling a vacant seat due to a work opportunity that left us a man down, the Rookies enjoyed a season away from the intensive rigours of high level competition and enjoyed being young men. I can report gladly that the boys are back in the boat and looking forward to next season.

In their third consecutive season, The WeaponVets reserves/ masters crew made two crew changes from the previous season and showed promise early. Congratulations to Cam (Fibro) and Ryan (Guns) who became fathers for the first time and let go of the oar handle in place for the nappies. Well done and all the best fellas! Steve Boyd and Daniel Wizeman were joined by Adam Daly and Danny Kelaita and swept by myself.

We raced at only a handful of carnivals before an injury to one of the men just before Branch Championships ended the season for The WeaponVets.

Our first hit was at Nth Cronulla. Racing in Reserve Grade we started with three strong heat races however withdrew early due to a work commitment as the carnival went longer than expected on the day. Next up was the Queenscliff carnival which had a huge entry list for the Reserve grade

with the best crews in the state on show. The WeaponVets displayed their class in a very strong field and finished 3rd in the final in good surf. Manly carnival was next, we had an up and down day and missed the final by one place, getting knocked out in the semi finals. Our final carnival before injury was the traditional Coogee carnival which was a bitter sweet end. We won the day convincingly in a smaller field however this was the last time we hit the water for the season.

Recently two new female divisions were added to the open program. The u/19 and Reserve grade female divisions are now up and running bringing all divisions into line with equal men/women categories in each gender. U/19, U/23, Reserve and Open divisions now make up the program and I can report that we have two girls crews (u/19 and reserve women) learning the sport and enjoying the new challenge.

I can also report that we are training up some new members with boat experience into coaches and sweeps for the future. Watch this space as we continue to rebuild our boat section.

For anyone interested in learning to row, please make contact for more information. We are training members as young as 14/15y/o with the intention for them to hit the line as young juniors and grow into the sport through the u/19 division.

I would like to thank all the BOM including our fearless president, Mr Paul Fownes OAM, Yvette, Linda and the whole board for continued support and encouragement of our growing boat section. A massive thanks to Michelle and the club office team for your assistance through the season with admin and entries.

Can I say a big thanks to our wonderful care taking team of our club. We are lucky to have these guys looking after our club and the gymnasium ensuring things are always set up to a high standard. Barry and Leslie- a big thanks for your help through the years gone by and into the future seasons.

I would also like to thank our Life Member boaties, Bob

Byrne (Byrnesy) and Peter Steenson (Dino) for the hours put into surfboat rowing as highly credentialed officials representing our great club throughout the seasons racing calendar.

A special mention to Michael Daley, who also is a great supporter to our section. A big thank you to Michael for his generous donation helping us to ensure our boats are up to date and competitive into the future seasons.

Our sponsors and contributors help us stay on the water and we can't do it without them. If any readers are keen to explore sponsorship options please make contact as there are various levels and costs of commitment to the boat section. All sponsorship and donations are fully tax deductible.

I can say personally after not finishing off last season, I am dedicated to rebuilding and securing numbers of rowers into the future and aiming to get us back to the top of the sport in many divisions.

See you on the beach,

PHIL STIVANO

Boat Captain
