# CHAIRMAN'S REPORT

I would like start this year's Club Review by firstly acknowledging the ultimate sacrifice of father and son, Ross and Andrew Powell from Port Campbell SLSC who drowned recently after their rescue boat overturned during a rescue attempt in large swells near the 12 Apostles in Victoria.

RIP Ross and Andrew

When events such as the above occur, it reminds me firstly of our lost friend and champion lifesaver Bernie Kelly LM who died after a mass rescue on our beach in 1998 and also why our organisation throughout Australia is so important.

It is my pleasure to present to you the 2018/19 Annual Report where once again I can inform you that our club achieved so much on so many fronts. Whether it be Education where Michael Fernandez took out Randwick Councils Australia Day's Young Achiever Award and Sydney Branch's Assessor of the Year, or Nicole Krite taking out Sydney Branch Trainer of the Year, it's been a great season. Our Club was again a finalist for Champion Club of the Year and winner of Randwick District Patrol Efficiency Award, we had young Sarah Teitler, an up and coming lifesaver, taking out the prestigious Junior Lifesaver of the Year Award within Sydney Branch, and our Nippers returned from NSW State Titles placed 5th out of 150+ clubs. We had some great events run, with hospitality shown week in and out... it's just great stuff! Take a pat on the back South Maroubra, your performance in and out of the water has been magnificent!

Here's a snap shot of our past season starting with Lifesaving at South Bra!

## LIFESAVING

Once again, I am proud to announce "No Lives Lost" at our beach during the season.

Our Lifesaving Section has again performed well with the following statistics:

- 103 Rescues
- 6794 Preventative actions.
- 78 First Aid cases and;
- thousands of hours of voluntary Surf Patrol.

Our Lifesaving Section led by Nicole Cooney did an outstanding job on all fronts. We had our young up and coming lifesavers joining the Nipper Water Safety teams which looked fabulous from the club house as they cared for the 800 odd nippers during their activities whilst regular patrols kept on eye on the public. We saw increased numbers undertaking their Bronze Medallion Award with a wide range of age groups from mature aged parents to young adolescents in addition to SRC and other advanced courses, all under the watchful eye of our club instructors. A fantastic vibe every Sunday with so much going on around the south end.

I must thank our sponsors in particular 'The Juniors' who have helped us with the best lifesaving equipment money can buy. Whether it be our portable resus equipment hanging in the first aid room, defib units on and off the beach, new lifesaving trailer to make transporting equipment onto and off the beach easier, new Inflatable Rescue boats and engines, rescue boards, tubes... all available to cater for the growing number of people heading to our beaches and to facilitate the management of potential incidents that we confront on a weekly basis.

Thank you to the entire lifesaving team including all those wearing the red and yellow, instructors, patrol captains, and the leadership team headed by Nicole and Jay Shelley on a wonderful year of friendship and developing the lifesavers of the future whilst keeping the public safe.

## YOUTH/NIPPERS

On the back of the ABC Nipper Program aired the season before last, we expected an increase in numbers and sure enough the past season saw a big increase with numbers topping over 800. This is a particularly large number of children given the fact our Nippers confront traditional surf conditions with rips, surfing and dumping waves which can be confronting but very helpful in learning about beach conditions. Well done to Greg and his team, including Age Managers, Water Safety, Coaches and helpers, it's always so inspiring to see parents participating with their children and then coming up to the club enjoying the hospitality of our club and of course new life friends.

Also, a big pat on the back for taking out 5th place in the State Championships, ahead of many big named and well-funded clubs! Congratulations to Sarah Teitler Branch Junior Lifesaver of the Year, Ashton Biffa Athlete of the Year 9-10 age group and Jaiden Marshall nominated for Southern Courier Local Sport Award plus all the junior members who were successful at Branch and State Titles.

Our appreciation is extended to all of our valuable Nipper Sponsors that contribute to a vibrant and massive, diverse local community.

## SPORTING SUCCESS!

*Boaties kicking goals!*

This past season after some hard work, good fortune and support we were lucky to see some really positive growth within our boat section, a section with a rich history in our club. This season renowned female boat sweep Bec Hamilton joined the club and

along with Boat Captain and Sweep Phil Stivano went about creating a couple of new 'all' female crews with the Open Reserve crew taking out Gold at Branch, State and Bronze at Aussies and other male and female crews making it into quarters and semi-finals which was terrific to see and making our future really bright.

Bec and her girls rightly received recognition from all quarters being the first 'all' female crew to participate in this male dominated sport and then achieve success as they did. I must admit I was disappointed not to see Bec and her crew take out Branch AOE team award acknowledging not only their team success but the fact they are a first in Australian Surf Life Saving.

Phil and Bec have advised the Board of Management of their plans for next season which are super exciting in terms of the growth of our 'boat section'. In support of the boaties expansion I invite interested members to bring their friends down to the club, join up as lifesavers and the boatie program. I'd very much like to rival North Cronulla who have 20 odd crews, wishful thinking perhaps but certainly a goal for what is a terrific and historical sport in our organisation.

From the Board of Managements point of view, we are planning to make an announcement early next season in regards to new sponsors and equipment for our boaties.

On the IRB (Inflatable Rescue Boat) front our fantastic and next generation IRB team led by their ten manager Bronte Chadwick and club's IRB captain Laurie Golsby have performed exceptionally well in both Club and State Championships, I'd like to wish

them all the best as they head to the Australian Championships shortly.

The future is very bright with this large group of young members who will no doubt develop into a highly competitive group over the next few years combined with some veterans of IRB racing. Thank you to Ken Hudson and George Landau for completing a full audit on all of our IRB engines. This has resulted in a new records system being created, a few engines decommissioned and couple of new engines brought online. We hope this is the start of a better system of maintenance producing more consistency in terms of engine performance.

Congrats to our fantastic group of Masters who continue to enjoy their efforts in Surf Sports. This group welcome all mature aged members looking to improve their fitness in a welcoming team environment. Beach, Board, Ski and Boats, there's something for everyone so come join this great team of members!

A reminder that for all State and Australian results please check out the April edition of the Clubs Newsletter, The Blu-ing available for viewing in our website in Club News.

## A SENSE OF COMMUNITY

As a prominent voluntary organisation, we are conscious of maintaining a strong relationship with the community to ensure they continue to support us. Over the past season we again participated in a range of events including provision of water safety at community swims, we conducted our famous Oktoberfest in conjunction with the Maroubra Fun Run, had record attendance at our annual

Sportsman's Day where we had sensational guest speakers with proceeds directed to support summer and winter competitors. Our club again ran a fantastic Nipper trivia night in support of our State Nipper Team, Comedy for a Cause which was a wonderful community night, once again conducted Australia Day, Good Friday, State of Origin nights ensuring members, family and friends all had the chance to enjoy our club in a beautiful environment and finally the boatie reunion/end of season BBQ conducted in April.

Our club was hired at no fee by local community groups, schools and government agencies. The South Maroubra Dolphins were again accommodated at the club for their entire winter season and the mighty South Sydney Rabbitohs utilised the club for a range of activities. As you can see this is a diverse and welcoming community club.

Sunday refreshments again proved a hit with the club bar opened every Sunday from October through to April with our big umbrellas, views and good company a feature. Let's make it bigger and better next season.

Thank you to Linda for organising our Annual Remembrance Day in January, remembering the many members who have passed having contributed to the success of our club. This is an annual event, sadly this year we lost a couple of terrific members and friends in Bobby Higgins, Jet Jackson, Alan Kitchen and Ron Firken. RIP Bob, Jet, Alan and Ron, and to all other members that may not have been recorded in this report.

## OBJECTIVES FOR 2018 ACHIEVED!

**Memorabilia:** Of note this season, our focus was to deliver the memorabilia project which is reported on in some depth in Club Vice Chairman's report. I'm sure the entire membership joins with us to congratulate Linda and the entire subcommittee that have delivered the first phase of this project. Looks great and provides a wonderful insight into the past of our club and a feast of information.

**ATV's:** This season, we announced the full replacement of the All-Terrain Vehicle fleet at great expense and whilst we have not fully covered the costs, both new vehicles have now been delivered and will be ready for use at the start of the 2019 season subject to drivers completing an induction.

**Member communications:** I'm super proud of the quality of information available to our membership via electronic Blu-ing newsletters, Facebook and Club Website. Modern, informative, great photos and a host of club information ensures everything the public and members would like to know or share is available at the click of a button. Well done to all contributors and Nicole who has freshened up the club comms.

**New outside showers and grass:** Pleased to report our friends at Randwick City Council heard our concerns about the inadequacy of the one outside shower. Move forward 12 months and we now can enjoy 3 showers which is important ensuring all members, friends can wash sand off outside and thereby prevent pipe blockages. With the popularity of the grass area beachside of the club we worked with council to upgrade the patchy areas and now have a nice area for members to enjoy. Please drive ATV's carefully and slowly over all grass area particularly in the wet.

**Storeroom:** With Special Operation Jet Skis now stored onsite we are experiencing major shortage in storage space. This coincides with the lack of amenities catering for the public in Arthur Byrne Reserve. Together with Council, your club Executive have been working to find a common solution and after 8 years of discussion are close to seeing a public amenities block and store room for our club. Let's cross our fingers and hope for completion next season.

**Club 60th Anniversary dinner:** Thank you to the subcommittee that has just about completed planning for this major event to be conducted on the 31/8/2019 in Horizons Function Room. Details and limited tickets are now available online. Please refer to club Website, Facebook or office for booking information. We hope to see a full house to celebrate a terrific club with a rich history.

## WELL THAT'S A WRAP!

It's that time within my report where I must thank some key people that have contributed to the success of the 2018/19 season. To Caretakers Barry and Leslie who keep the club premises in a respectable and welcoming state and bar up and running on Sundays, Club Licensee Gus who keeps the entertainment happening and bar stocked, our many wonderful sponsors in particular Maroubra Seals, Randwick City Council, The Juniors Group of Clubs, EISS Superannuation, NG Farah Real Estate, Top Cat Catering, local pubs, clubs and businesses the entire list of sponsors detailed within this annual report.

I once again thank two top local blokes who also happen to be our local State and Federal Members namely Michael Daley MP and Matty Thistlethwaite MP. We are also fortunate to have a great group of Randwick City Councillors too many to name who continue to support us. To our Life Members that continue to assist the club thank you.

To our sub committee's working on the 60 Anniversary and Memorabilia Project thank you, I'm sure members will be delighted with what is planned. Thanks to Jack Shaw Life Member for all that he does to assist and promote the club and all the members that help us in so many ways and far too many to mention, thank you. To Michele Lo in the club office each Tuesday and Friday thank you for your commitment. To Denisse Silva and Maria Garay in the club office every Nipper Sunday, thank you for your support and commitment, Mick Fisher in the kiosk for your support in many and varied ways, thank you.

I thank the entire Board of Management, in particular two long serving and skilled Life Members Linda Perrin Vice-Chair and Yvette Rutherford Director of Finance for your friendship and support over the year. To the BOM, I hope we can work towards another terrific season 2019/20 when the show rolls on.

Paul 'Stretch' Fownes APM OAM  
CHAIRMAN

# VICE CHAIRMAN'S REPORT

## Surf Club management is 12 months of the year, but we love it right – that's why we do it.

Your BOM and sub committees have worked hard this season delivering on all facets of our Surf Club business with success. I am very proud to be a member of this Club and accept the role and responsibility of being a Club Director. To work alongside such a committed and dedicated team, thank you for allowing me this honour and opportunity.

As reported last year, I was tasked with 2 major projects. Our Memorabilia Project in the Heritage and Kelly Lounges is nearing completion as I write this report, we are working on the completion of the project which will see some walls come to life in the Kelly Lounge this year.

Stage 1 was completed in December being the Timeline and monitor, Heroes of South Maroubra monitor and the Digital Honour Roll of our Office Bearers and Life Members.

We have also included the Dolphins Winter Swimming Club office bearers to our digital honour board which the Dolphins are able to enjoy viewing on Sundays during their season.

Once again, I must acknowledge fellow Life Members, Ken Arthur, Paul Duffy, Peter Murphy and John Park for seeing this task through. Our Memorabilia display is state of the art and the envy of many, special thanks to the BOM for accepting this project concept and providing the budget for such a professional delivery. To Focus Productions, we thank you for working with us and all you did to give us the outstanding visual we have and look forward to hopefully continuing with you to complete the next stage.

The update of the Club's Constitution as per the recommendations from the Board of Management is in draft format of 2 documents – South Maroubra SLSC Constitution Inc and South Maroubra SLSC Inc Regulations are near final completion. Hopefully the Constitution Committee will get this completed during next season for presentation to a Special General Meeting. Thank you to Damien Woods who has been working with me on this update.

The annual audit of the Gym equipment was conducted in September. From this audit we agreed to remove one

of the items of equipment – the older Smith machine. This was deemed not safe and no longer suitable for continued use by our members. This item of equipment was originally donated many, many years ago – so to say we have had good service from it would be a fair call.

This allowed us to re arrange some of the equipment in the gym freeing up more floor space for our gym users. We were fortunate to receive a quantity of medicine balls during the season which was a welcomed inclusion.

Thank you to all our Gym users for respecting the club's property and looking after the space. This facility is for you the members and we would encourage members to purchase Gym Memberships. Our boat crews benefited greatly from this facility during their pre-season training which was so good to see. Special thanks to Tom McJannett and Phil Stivano for assisting me during the season with the Gym facility and of course to Barry and Leslie for ensuring the gym was cleaned regularly.

On January 20th we celebrated our members who have passed with the annual 'Remembering our Members Day'. This annual day started as the Bernie Kelly Memorial Day, but it was decided last year after Bernie's 20th Anniversary that we would rename this day in honour of all members passed. The highlight of this get together is the opportunity to share friendships and memories of those no longer with us and enjoy the slide show of photos of members who have passed away over the history of the Club. Unfortunately, we will be having to add a couple more members to our photo presentation being Bob Higgins, Jet Jackson, Alan Kitchen and Ron Firken. RIP gentleman and thank you for your contribution to South Maroubra.

**Save the date for 2020 – Sunday 19 January to join us for the annual Remembering our Members Day.**

Family and friends of those we have lost are most welcome to join us at the Club on this day.

Bring on next season – 60 years young.

Linda Perrin

# ADMINISTRATION REPORT

On behalf of the Board of Management, I present for your consideration and adoption the 61st Annual Report and Financial Statement of South Maroubra Surf Life Saving Club Inc. for the Season 2018/19.

As a lifesaving organisation, our core business and objective is to provide a safe aquatic environment to our customers. Our diverse team of highly skilled volunteer lifesavers achieved our objective once again, I am very happy and proud to report that No Lives Lost between the flags during the season. The dedication, attitude and magnificent team work of our patrolling members contribute to these amazing results, they volunteer their work and time keeping public safe at our beach and expect nothing in return.

SLSA strives to create a safe environment on Australia's beaches and coastline through patrols, education and training, public safety campaigns and the promotion of health and fitness. SLSA is the largest multifaceted volunteering organisation worldwide that comprises key aspects of lifeguard services and competitive surf sports. SLSA offers many avenues and opportunities to its members to expand and enhance their skills.

In order to prepare our members with the correct skills and knowledge to patrol our beach and support the public, our education team volunteer their time preparing and delivering the relevant course/s to ensure our patrolling members are well equipped to do their jobs.

From a competition perspective, we support our member from young nippers all the way through Masters, all our member proudly representing our club during summer and winter competition. Our large team of volunteer coaches spend numerous hours training and developing schedules and program for our athletes.

Our club is supported behind the scene by a number of volunteer personnel, being section leaders, admin and finance support, team managers, surf sport officials, club directors and many other members that provide their time to make our club great, additionally, our members also freely donate their skills and services towards fundraising, catering, social events, bar service, repairing club gear and equipment, and upgrading club facilities.

Our nipper team work hard through the year in preparing and supporting our young lifesavers at training, – our future lifesavers and club leaders.

We've had a wonderful social season with some great events – to name a few we had Oktoberfest, Sportsman's Day, Trivia Night, Comedy for a Cause and Origin Night. Our social Sundays are becoming quite popular and growing, it is a great opportunity to spend some time unwinding in a friendly and relaxed atmosphere, I hope to see more and more of our members come to these social Sundays. Our social media presence continues to grow with the South Maroubra SLSC Facebook and Instagram

pages which are viewed by the majority of our membership. Please make sure you follow us to keep up with important information and frequent updates and pics.

Our monthly digital newsletter 'Blu-ing' maintained our member informed of activities at our club, providing them with a summary on activities, information and pictures, and of course supported by our club's website. I truly hope you enjoy them and as always, I welcome feedback and suggestions for improvement.

I would like to thank my fellow Board of Management members, our Lifesaving, Nippers, and Competition Committees for the help and guidance throughout this season.

Thanks to Nicole Cooney for her support in guidance in making my transition to this new role seamless. Thank you to Michelle, Denisse and Maria in the office for all your hard work. I'm looking forward to the new season.

# DIRECTOR OF FINANCE REPORT

It gives me great pleasure to present the annual financial report for the South Maroubra Surf Life Saving Club for period 2018/19. Once again, the season was an exciting year for members with many improvements to club facilities undertaken, changes in Officer incumbents presented opportunities to change some processes and we witnessed the coming together of the Heritage Room Memorabilia Project.

During the financial year ending 30th April 2019, the club experienced total revenue of \$559,093 which is slightly up from previous season.

Traditional sources of income throughout the season returned a moderate increase from last year. Although a decline was recorded in the area of Donations/Grants & Sponsorship, the increase was attributed mainly to the following:

- Membership revenue increasing by 30%. Overall Membership numbers increased this season by 21% to reflect an active membership of 1408. The Active 15 to 18 year category increased by 157% with our nipper category also enjoying a 19% growth.
- Merchandise net sales increasing by 134%. The flow on effect of our increase in membership showed in our merchandise sales with our nipper group purchasing numerous costumes, caps and apparel
- Top Cat Catering, who lease out the clubhouse Horizons Function Centre, continue to be the clubs main form of revenue.

- Sundry income increased due to the selling of club competition equipment (surf boat)

During the past financial period the club showed a substantial increase in expenditure of 43%. The expenditure increase can be explained by the following:

- Building & Property expenditure increased due to the purchase of new carpet for the Horizons Function Centre (\$32,000) together with the Heritage Room Memorabilia Project (\$50,000).
- Lifesaving expenditure increased from last season as we took delivery of a new IRB, motors and Patrol Trailer via the Souths Juniors & Maroubra Seals CDSE grant money along with the purchase of new radios, resus manikins and patrol uniforms.
- Competition expenditure doubled as we finalised payments and enjoyed delivery of a new Surf Boat which was fully funded from the previous season via a government Grant. We also purchased new skis for our competition section and also recorded an increase in competitor carnival entry fee expenses.
- Admin/General operations of the club costs have remained steady as we continued employment of part time office personnel. Member capitations to Surf Life Saving Sydney and NSW continues to take up half of this section's costs.
- On the advice of our surf club Auditor we have commenced a 13-year cycle of \$50,000 per annum deduction (Amortization) from our

financial books to remove the listed clubhouse Land and Building value from \$700,000 to zero. This value currently sits in our Financial Position under Assets – Non-Current Assets – Property, Plant & Equipment. This is based on the fact that we don't own our clubhouse building as it sits on Crown Land and should not be shown as a club asset. We have 13 years remaining on our building lease with Randwick City Council who are the trustees.

Due to the above expected expenditure, at the completion of the financial season, the club is showing an operating loss amounted to \$76,662 compared to last season's profit of \$99,974.

## Functions, Events and Fundraising

Our members continue to work hard to raise valuable funds from our annual Oktoberfest and Sportsman Day. Both activities were profitable however an increase in revenue from the Sportsman Day counteracted not holding an Ocean Swim or Nipper Carnival this season.

Sections within the club continue to enjoy returns for their efforts from the Trivia and Boaties 'State of Origin' nights. The IRB Winter Touring team section continues to provide 'water safety' for a number of external events and also worked hard to bring in some additional funds to offset some of their touring team accommodation expenses.

Thanks to our Club Licensee Gus Taylor, Caretakers Barry & Leslie, Bar Staff, Tony Shaw (Oktoberfest), Paul Fownes, Yvette & Grant Rutherford, Tom McJannett and Linda Perrin (Sportsman Day), Greg & Quinta Turton & Marcelo Garay (Trivia), Phil Stivano (State of Origin Night), Laurie Golsby (IRB Section) who all made an extra effort and contributed to the running of all our club events and fundraising activities.

A moderate increase in expenditure on member activities was again recorded this year as we continue to acknowledge and thank our members for their involvement and contributions. Member Functions included the Gold Members/Life Members Function, a number of nipper BBQ's and activities and also the enjoyable Start, Mid and End of Season Lifesaving/club socials. Expenditure also went towards a few youth group activities, patrolling members lunches and bar refreshments promotion costs continue to increase as we enjoy a larger membership. A shout out to some of our long serving members who continue to coordinate social activities at the club with our past members.

## SPONSORSHIP

Souths Juniors and the Maroubra Seals Club donated funds to our club from the CDSE (Randwick ClubGRANTS Scheme) allowing for the purchase of vital lifesaving equipment and they have once again pledged their strong support to the club. Thank you to Matraville RSL also contributing via the CDSE program. Randwick City also honoured long standing agreements with the club and continued their grant to

assist the club with expenses related to the building and administration.

We also acknowledge TopCat Catering, Bisley Workwear, Rams, Sydney City Volkswagen, Caltex, Channel 9, Henry Morris, CJS Seafood and Cameron Airlie from NG Farah for their continued sponsorship and support of our club. Further on in the Annual Report is a list and acknowledgment to all of our club sponsors and supporters where we pass on our sincere thanks and gratitude.

This past season we welcomed a new sponsor to our club family - EISS Super and we look forward to our three-year partnership and expanding our relationship. On writing this report we have also confirmed a new surf boat sponsorship with companies Ford Civil Contracting and JCM Contracting for this coming year.

During the season your Board of Management (BOM) entertained a large group of sponsors on Sydney Harbour and I pass on my thanks to Mick Fisher for his assistance in coordinating this day. The BOM also upgraded many of its sponsors boards and added some external signage to the clubhouse façade.

Thank you to Michelle Lo, Maria Garay & Denise Silva for all your assistance in the club office. My personal thanks to club member (and new Mum) Kelly Fernandez for once again giving up her time and for providing her invaluable and expert accounting guidance in the preparation of the financial statements for the club Auditor.

In closing and as stated in my report last year our increase in expenditure this season was expected and accounted for in our previous accounting period. The BOM are still committed to the installation of Solar Panels however we are waiting on appropriate Grant opportunities to come to fruition before proceeding with this expensive exercise.

The BOM and Officers of our Club were a functional, dedicated group of people who in my view made every effort to improve the club and its facilities this season to create a better space for our members to perform their duties as Surf Life Savers, and further, to create a wonderful environment for the enjoyment of all members and their families. Well done to Paul Fownes (Club Chairman) and his Deputy Linda Perrin for their tireless contribution this year and for their tremendous support to me personally.

Yvette Rutherford  
DIRECTOR OF FINANCE

The South Maroubra Surf Life Saving Club Inc. is compliant with the ATO and ACNC charity compliance requirements and therefore entitled to state to the public that it is entitled to ongoing endorsement as a Public Benevolent Institution with Deductible Gift Recipient status.

**COMMITTEE'S REPORT**  
**FOR THE YEAR ENDED 30 APRIL 2019**

Your committee members submit the financial report of South Maroubra Surf Life Saving Club Incorporated for the financial year ended 30 April 2019.

**Committee**

The names of committee members throughout the year and at the date of this report are as follows:

Paul Fownes	Linda Perrin	Yvette Rutherford
Greg Turton	Thomas McJannett	Marcelo Garay
Nicole Cooney		

**Principal Activities**

The Principal Activity of South Maroubra Surf Life Saving Club Incorporated during the financial year was to provide Surf Life Saving activities.

**Objectives of the Club Shall be:**

- (a) To ensure a safe beach and aquatic environment, including maintaining and improving lifesaving standards at the southern end of Maroubra beach.
- (b) To continue to encourage our competitors to compete in sanctioned Surf Life Saving competitions throughout the season.
- (c) To encourage strong membership.
- (d) To provide suitable premises and facilities for its members.
- (e) To encourage the physical and social welfare of its members.
- (f) To encourage community participation within the membership of the Club.

**Significant Changes**

No significant change in the nature of these activities occurred during the year.

**Operating Result**

The Loss for 2019 amounted to \$76,662 (2018: Profit \$99,974).

Dated at Maroubra this 29<sup>th</sup> day of June 2019.  
Signed in accordance with a resolution of the Members to the Committee.

**NOTES TO AND FORMING PART OF THE ACCOUNTS**  
**FOR THE YEAR ENDED 30<sup>TH</sup> APRIL, 2019**

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act NSW and the NSW Charitable Fundraising Act and Regulations. The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act and the NSW Charitable Fundraising Act and Regulations and the following Australian Accounting Standards:

AASB 108	Accounting Policies, Change in Accounting Estimates and Errors
AASB 102	Inventories
AAS110	Events Occurring After Reporting Dates
AASB 1031	Materiality

No other applicable Australian Accounting Standards, Urgent Issue Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Boards have been applied.

The financial report is also prepared on an accrual basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuation of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report.

**Income Tax**

The Club is exempt from payment of income tax under the present provision of the Income Tax Act.

**Building**

The building in which the Club is situated is shown in the accounts as having a net value of \$652,565. In the event of a termination of the lease of the premises, it is anticipated that the building would not have a realisable value. The cost of the building will be depreciated over the remaining term of the lease with Randwick City Council due to expire 30 June 2031.

**Inventories**

Inventories are measured at the lower of cost and net realisable value.

**Events Subsequent to Balance Date**

There were no significant events occurring after balance date.

**Cash Flow Information**

The Club has no credit stand-by or-finance facilities in place.

**Insurance**

A Public Liability Insurance Policy is held by the Surf Life Saving Association of Australia Providing inter alia cover for the Club and members of the Club whilst engaged in lifesaving activities or properly authorised duties as approved by the Club.

**SOUTH MAROUBRA SURF LIFE SAVING CLUB INCORPORATED**  
**ABN: 20 186 994 785**

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 APRIL 2019**

**Fundraising Activities**

**Charitable Fundraising Act 1991:** This act and the supporting Charitable Fundraising Regulation prescribe the manner in which fundraising appeals are conducted, controlled and reported in NSW. The amounts shown at Note 8 are in accordance with the Authority Condition 7, which is issued to the Club under Section 19 of the Act.

**Donations and bequests:** These are returned as income as and only when received at the Club's administration office or deposited into the Club's bank account. As specified in the Act, unsolicited donations, members' donations and bequests are not treated as fundraising income when determining information required under the Act.

**Cost of fundraising:** Cost use in Note 8 includes all direct fundraising costs in accordance with the Act. The inclusion of indirect costs is discretionary. Excluded indirect costs include overheads such as the time spent by accounting or office staff administering appeals.

**COMMITTEE'S DECLARATION**  
**FOR THE YEAR ENDED 30 APRIL 2019**

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 in the financial statements.

In the opinion of the committee the financial report as set out in this report:

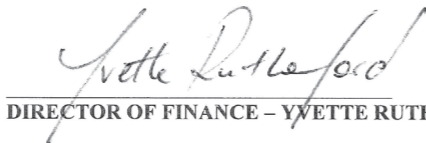

1. Presents a true and fair view of the financial position of South Maroubra Surf Life Saving Club Incorporated as at 30 April 2019 and its statement of comprehensive income for the year ended on that date.
2. At the date if this statement, there are reasonable grounds to believe that South Maroubra Surf Life Saving Club Incorporated will be able to pay its debts as and when they fall due.
3. The provisions of the Charitable Fundraising Act 1991, the Regulations under the Act and the conditions attached to the authority have been complied with; and
4. The internal controls exercised by the South Maroubra Surf Life Saving Club Incorporated are appropriate and effective in accounting for all income received and applied by the South Maroubra Surf Life Saving Club Incorporated from any of its fundraising appeals.

Dated at Maroubra this 29<sup>th</sup> day of June 2019.

Signed in accordance with a resolution of the Committee.

CLUB CHAIRMAN – PAUL FOWNES

DIRECTOR OF FINANCE – YVETTE RUTHERFORD

To the Members  
South Maroubra Surf Life Saving Club Incorporated  
PO Box 69  
**MAROUBRA JUNCTION** NSW 2035

**Report on the Audit of the Financial Report**

**Opinion**

We have audited the financial report of South Maroubra Surf Life Saving Club Incorporated (the Association), which comprises the statement of financial position as at 30th April 2019, the statement of profit and loss, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion the accompanying financial report of South Maroubra Surf Life Saving Club Incorporated, is in accordance with the *Associations Incorporation Act 2009* (NSW), including:

- (a) Giving a true and fair view of the association's financial position as at 30th April 2019, and of its financial performance for the year then ended; and
- (b) That the financial records kept by the association are such as to enable financial statements to be prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements.

**Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Information Other than the Financial Report and Auditor's Report Thereon**

The committee of the association is responsible for the other information. The other information comprises the information included in the association's annual report for the year ended 30<sup>th</sup> April 2019, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of the Committee for the Financial Report**

The committee of the association is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Associations Incorporation Act 2009* (NSW), and for such internal control as the committee determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the ability of the association to continue as a going concern disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

**Auditor’s Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Money received as a result of fundraising appeals conducted during the year have been properly accounted for and applied in accordance with the *Charitable Fundraising Act 1991* and the regulations.

**Emphasis of Matter**

As is common for an organisation of this type, it is not practicable for South Maroubra Surf Life Saving Club Incorporated to maintain an effective system of internal control over donations, subscription and other fundraising activities until their initial entry in the accounting records. Accordingly, our audit in relation to funds was limited to the amounts recorded.

# LICENSEE REPORT

Once again, another wonderful year with all things social within the Best Surf Club in the world. I must say it's very easy to execute the tasks of Licensee as there are so many wonderful, friendly and joyous people and occasions to fill our calendar. Whilst appreciating that our fundamental core business is saving lives and serving our community, can I please take this opportunity to emphasise the importance that we come together on a regular social basis and raise a glass to each other and the wonderful and heroic job that we do in serving our beach. This is the time where I would like to remind everyone that our Bernie Kelly bar is open each and every Sunday throughout the season from 10:30am until there is no more people. The bar is also open to the public at this time and I was reminded many times through the season that we had "the best kept secret" in Sydney. This is why I would like to eagerly invite you to conduct all your personal celebrations and occasions on Sundays down at The Bernie Kelly bar, because you get all the facilities for free and if you give us notice we can set tables up for your party. It's a wonderful Sunday feeling sitting at tables on the beachside lawn listening to laid back music.

As usual, our season just gone, saw some wonderful events held. The NRL Grand Final day celebration was once again a huge hit with some really good numbers and heaps of fun with auctions and first try scorers, Clive Churchill medal raffles and more. OKTOBERFEST proved a monster event again with the hoards making their way out onto the park to serve up the great Bavarian food fare and the wheat beer by the gallon. The Oompapa band entertained all and sundry throughout the day. BBQ team was again headed up by Jack STENT Shaw with his trusty crew of cooks and servers; Peter Bulldog Murphy, Bob McCoid, Bluey Jenvey, Gillian, John "Skid" Marks, Tony The Bone Johnson, Duggie, Geoff the Fireman, Jen, Tenley, Cait, Helen (Jen's sister), Helen Shaw and Christine Murphy. The cash registers were well managed by Rainy Simmiss-Taylor, Shelly Dubois, Rebecca Mullins, Elka & Zali Summerauer and Linda Perrin. Newcomer helpers Mark and Virginia, Jaq Simmiss with Sam Blois and the ever faithful Doggo Jones were on hand to help. The bar with the German liquid amber flowing, as ever, was professionally manned by The Brick and Big Dave with Richard Engel. Tom McJannett, Trevor Perrin and Greg Morris providing crucial logistic support. I would like to thank Oscar Zechner from Pure Drop Liquor for their ongoing support and

sponsorship for our OKTOBERFEST event.

All of our traditional social days on our seasons calendar were well supported and a great time was had by all. Australia Day Big BBQ, Good Friday Fish BBQ, The Boaties State Of Origin night hosted by Phil Stivano and almost ruined by the invading Cane Toad Stretch. The annual sportsman's luncheon on January 28th early in the year saw another full house sign go up and a great day was had by all.

In closing, I would like to specifically mention the following people for their unwavering support, help and assistance in executing the big days and running the bar and licence to meet all the requirements:

Barry "Caretaker BAZ" Osborne. Put very simply, I would not be able to get through the year without Baz and his wonderful support and many, many hours of work both front and back of house. A lot of the hard work that Baz does goes unchecked and without notice. Baz is always there when the club needs him and he is a great support person for me. The ever lovely Lesley is always on hand to help as well.

Ken "Life member" Hudson and Tony "Head" Shaw were instrumental in organising the OKTOBERFEST committee and working through the enormity of the task and working with me in getting the job done. The logistics, preparation and execution of the OKTOBERFEST is monumental in task and with these 2 gentlemen it was and absolute pleasure to work alongside.

The BOM as always, were there when needed and their support and guidance were greatly appreciated, especially Yvette Rutherford and Linda Perrin.

Mick Fisher and the mighty Souths Juniors are a truly wonderful supporter of our great club. Mick has this uncanny knack to make you feel at ease whenever asking for help or logistical assistance. Throughout the year, I reached out many times to Mick asking for help in many different shapes and forms and each and every time I received support and help in waves.

Jack "STENT" Shaw from The Seals club provides me and our great club with magnificent logistical support and assistance whenever asked. The Seals Club, through Jack Stent, is always there when needed, often at minimal to no notice.

Paul STRETCH Fownes OAM is nothing short of a truly magnificent inspiration. I am drawn back to the club each and every year because Stretch provides a volunteering environment where the entire teams work and efforts are appreciated and a magnificent team environment is instilled, encouraged and maintained. It is an absolute pleasure to volunteer under Stretch's management and leadership and I look forward to doing the same in season 2019/20.

If I have left your name out, it was not deliberate and by bringing this to my attention next time you see me behind the bar, it will be a pleasure to buy you a drink (on Stretch's account of course).

Looking forward to raising a glass with you in season 2019/20.

Gus Taylor  
LICENSEE

# BUILDING COORDINATOR REPORT

Fellow members, I am pleased to report the following on the Property front.

This year after many years of strong activity on the building front, things were a little quieter.

We sought funding for improvements to the men's toilets and kitchen but were unsuccessful. Projects that were completed include:

1. Complete new commercial carpet Horizons (as per agreement)
2. Planning for the new club storeroom is ongoing and should be delivered this year
3. New outdoor showers completed
4. Glass area beachside upgraded.
5. Memorabilia project stage 1 completed.

Projects identified, funded/not funded.

1. Draping of Memorabilia project and blinds- Bernie Kelly Bar/ Heritage Room (F)
2. Solar panels to help reduce our massive and increasing electricity costs. (NF)
3. Upgrade kitchen Heritage room (NF)
4. Upgraded men's and lady's toilets.(NF)
5. Club renovation – second storey addition to Heritage room. (NF)
6. Club external repaint. (2020) (NF)

Concluding this report

Taking care of a building the size of ours in the difficult weather environment in which it is located and numbers that use the club is no easy task. It takes commitment from the membership to keep the place clean, fixing ongoing problems before they grow too big and putting much needed limited funds aside forgoing other material priorities.

Thank you to club sponsors who commit funds to our club. This enables us to put aside some savings to maintain facilities. To Director of Finance Yvette who capably manages the building fund ensuring funds are quarantined for maintenance and improvements. To Barry and Leslie who clean the club this reduces wear and tear. To gym members who clean up after themselves, IRB crews that wash equipment on the ramps and those that just wash their feet before coming into the club. Every little thing helps.

Thanks to SLSNSW, Randwick Council and NSW/Federal Government for ongoing assistance.

Paul 'Stretch' Fownes  
**BUILDING COORDINATOR**

# FACES AROUND THE CLUB

# DIRECTOR OF LIFESAVING SERVICES REPORT

This season saw a mostly new group in the leadership roles of the Lifesaving Portfolio, with Jay Shelley joining as Assistant Director of Lifesaving Services, Laurie Golsby as the new IRB Coordinator and me as the new Director of Lifesaving Services. While we had a lot to learn we had great support from the Board of Management as well as our fellow lifesaving community.

We kicked off the season with gear inspection, with the whole lifesaving committee pulling together to ensure all our gear was up to spec and proud to say that it all went through with no re-inspections required. A big thank you to Ken Hudson who help me pull it all together and understand what was needed to ensure we got through smoothly. Your knowledge and guidance is greatly appreciated Ken. We also needed to ensure we had the patrol teams and roster updated and circulated to our patrolling members, and of course begin recruiting for the new season.

Recruitment, training and upskilling was a big focus point of this season. Building on the increasing numbers from the previous seasons, and with Michael Fernandez's (Education Coordinator) continued dedication we certainly kicked some goals in this area. Despite impending fatherhood, Mike

stayed focused on education and put through some excellent numbers this season along with his training team putting through 190 new awards. We have an impressive 75 new lifesavers, including 49 new Bronze Medallion holders, as well as 26 new Surf Rescue Certificate. In terms of higher awards we had a good uptake on the Advanced Resus and Spinal awards, 19 new IRB Crew with 5 new IRB Drivers. We've also had members take up higher awards such as the Silver Medallion Beach Management and the Silver Medallion Aquatic Rescue, which gives us members who will have a greater awareness and ability while on patrol. With the SLSS Branch Jet Ski at the Club we have also seen a good number of our members attain the RWC Award and participate in patrols on the ski. Finally, but by no means the least, it's also been great to see new trainers join the our training team. We can never have enough trainers and I hope we can see even more join us in the new season.

Patrols this season have been great, and I was happy to be able to get down to visit all the teams this past season and talk with our Patrol Captains and team members. While we had a good number of days with an open beach we did see some tricky conditions. I was happy to see a great increase in our preventative actions, and to know that our members are keeping

a keen eye on swimmers from various vantage points on the beach and from an elevated position in our Patrol Tower and being proactive in swimmer interventions keeping them safe. This saw our rescue number stay steady for the season, with the majority of our rescues performed using a rescue tube. Often due to conditions and location of the person in trouble this piece of equipment is the most suitable and reliable. We had a good number of rescues by IRB, which again displays the usefulness and also the skill of our IRB drivers and crew. Because after all our purpose of existing as a club is to keep our beaches safe. I'm glad to report that again we had no lives lost between the flags.

Speaking of patrols and gear – we had some gear improvements this season with a massive thanks to Jay and his work on these projects. We saw a new radio installed in the patrol tower, which saw a great use of the tower during busy and closed beach situations allowing members in the tower to communicate quickly and effectively with other team members. This season also saw the launch of our new patrol trailer, which was Jay's pet project, and after consultation with members Jay and Ken set off on building a more patrol member friendly, lighter weight trailer.

In the IRB section we saw Laurie come on as the new IRB Coordinator. Laurie is a great asset to the team, a young man willing to learn and take on feedback and implement change. A big thank you to Ken Hudson who helped Laurie with some much-needed knowledge, and who assisted along with George in reviewing all our IRB gear creating a pathway and future maintenance plan for the future.

All in all I have enjoyed my first season as Director of Lifesaving Services and learnt a lot during the course of this successful season. I have a great many people to thank including valued team members who have always offered the hand of friendship providing words of encouragement and advice plus have assisted in so many practical ways to achieve great outcomes. I would like to publicly acknowledge for the record the Lifesaving leadership Team – Jay, Laurie, Ken and Mike for taking care of your sections so well and for providing feedback and guidance where needed. A very big thanks to the Board of Management for your support and backing. To all the Patrol Captains and other Lifesaving Committee members – thank you for your feedback throughout the season, the positive and constructive feedback means we can continue to grow. I truly appreciate your patience as we learnt, implemented some change and grew as a team.

It's hard to do what we do without funding and as such I would also like to thank all our supporters, without their generous contribution to the Club we couldn't provide the service we do. Big thanks to The Juniors Group and the Maroubra Seals Club for providing key lifesaving equipment, Caltex for fuel sponsorship of our Inflatable Rescue Boat operations, Randwick City Council for your continuous support.

I look forward to the 2019/20 season and seeing you all on the beach.

Nicole Cooney

# TOP 10 PATROLLING MEMBERS

# IRB COORDINATOR REPORT

New season new IRB Coordinator! In my first season as IRB Coordinator I had many goals I wanted to achieve, and anyone who knows me will know that I can be quite determined when I want to be. My aim as IRB Coordinator is to continually improve the section and I feel this season we have made a great start at just that.

This season the section continued to push the boundaries to find new recruits for our flourishing IRB section. We now have 19 new IRB crewman and 5 new IRB drivers joining the ranks at South Maroubra Surf Club. Our growing numbers have not dipped in quality and ensure safe operation of our IRB fleet. To go along with this massive push we now have two new trainers in the IRB section Nicole Krite and myself. Under the guidance of Michael Fernandez and Ronny Krite we have completed our IRB trainers certificate.

Our resources are not only used to keep our beach safe but we provide water safety to a number of lifesaving events. I would like to express my gratitude to those who have assisted in all water safety events at the various carnivals throughout the season. I would like to give a special note to Nicholas Guerra and William Spear who have stepped up in patrol 14 and helped Ester kept a watchful eye over every nipper day down at South Maroubra. To Angelina

Garay, William Spear, Hunter Perry and Scott Hobday that made the long trek to Swansea to watch over the NSW State Age and Master's carnivals; I appreciate you for dedicating your weekends.

Under the guidance of Ken Hudson, we kept the maintenance of our patrol engines high, but nothing could mend old age. We will be decommissioning three of our well used motors this coming season as we bring in some new motors thanks for various grants from our regular donors Souths Juniors Group and The Seals Club, as well as Club Randwick. Follow a thorough inspection day involving Ken Hudson and George Trikilis, both well and truly qualified in marine mechanics, we have a solid plan to continue to improve all of our IRB equipment. This review of our IRB fleet will ensure their service for the years to come.

As part of my remit I'm also involved in the IRB racing competition. This season we saw two new team managers Bronte Chadwick and myself. With the ups and downs of IRB competition we saw the spills and thrills all over the coast. We visited Stockton, The Lakes, Umina and Caves for the premiership rounds and South West Rocks for State. Throughout the year we were graced with great conditions between 2 - 5 feet waves and beautiful sunshine until the last day of State which had us battling a sand bar

3-foot dumpers and 30km/h wind in the rain, but what can you do when you compete in the middle of winter. We finished third overall at state which was a massive accomplishment with the relatively small team we had. Special mention to the masters who came back to support us and who ended up cleaning up the master events - David Dubois, Jarrod Robertson and Cathie Hall. Aussies for the masters was a blast with nice crisp 3-foot waves with a slight sand bar saw Jarrod have some fun within his teams event. The masters showed their swimming skills coming away with a gold in the Male Rescue Tube event. With a great start to the carnival on Thursday it wasn't too much fun from Friday onwards with 6 - 10 foot swell with a 20 km/h off shore wind competition was suspended until Sunday where they attempted to push through some events. They ran the Open Male and Female Rescue as well as the Open Male and Female Teams. We made the final in the Male Teams event, which was pushed to the very last minute of competition. With no time to wait for the break in the surf the race was started mid set. There were some spills however the South Maroubra team of Alexander Shaddock, William Shaddock, Nicholas Pavlakis and me raced a safe race, staying upright and finishing in 9th.

I would like to send my gratitude to those who have helped me through this season whether it being assisting moving engines when I'm by myself in the shed or assisting when I call upon IRB members for water safety. I would like to express extra gratitude to Nicole Cooney, Jay Shelley, Mike Fernandez, William Shaddock, Ken Hudson and Paul Fownes who have helped me push through the trials and tribulations of being the IRB Coordinator. With the experiences and lessons learnt from this season I'm sure if I am graced with the opportunity in being the IRB Coordinator for another season there will only be more improvement out of the section which I hope holds proud to the rich history of the South Maroubra IRB section.

Laurie Golsby  
**IRB COORDINATOR**

# EDUCATION COORDINATOR REPORT

Another season down and once again what a busy season it was for our education team. The team this year collectively put through 190 new awards, which is well up on our 120 from last season. Once again, a big focus of ours was increasing our membership base by bringing through new Bronze Medallion and SRC holders. Both Bronze and SRC training teams did a fantastic effort, with 49 new Bronzies on board as well as 26 new SRCs boosting numbers across all our patrols.

**That's 75 new patrolling members!**

While training the Bronze and SRC courses over the season does take up a lot of time and effort, the commitment didn't stop there. This season also saw us put through a record number of IRB personnel, further boosting and increasing our ever-growing strength in that section with 5 new IRB drivers and 19 new IRB crew. I have no doubts all these guys will go on to play a very important part in patrolling duties in the new season. Training IRB courses is no easy feat, with early mornings and jumping at the front of a boat with a rookie driver! So a big thank you to all of our trainers in this department who give a hell of a lot of time training our members in what's arguably the most important piece of Lifesaving equipment we have on our beach.

On top of all this, the 2018/19 season also saw an increase in the number of senior awards that we put through with 13 new ARTC and 14 new Spinal candidates also making up the total tally of new awards. A big thank you to Cathie, Nixy, Kelly and Nicole who all played a hand in training these courses over the season.

This last season also saw a few of our members gain awards within Support Operations with new RWC operators, an Offshore Rescue Boat Crew as well as two new Offshore Rescue Boat Drivers. Along with this, we also brought through some new trainers, further boosting our numbers in the education section which in turn will ease the pressure on all of our trainers. Congrats to Nixy and Laurie (IRB trainers), Isabella (SRC) and Nicole (ARTC).

Every season I make mention of the amount of time our trainers put in, however, to put it in a little perspective, here are some numbers showing the hours some of our trainers have put in. Note, this doesn't include their patrolling hours:

**Mike - 157 hours**  
**Ronny - 149 hours**  
**Cathie - 122.5 hours**  
**Nixy - 105 hours**  
**Kelly - 103 hours**  
**Laurie - 57 hours**

This isn't the whole list and there are still several other trainers that have contributed over the course of the season. Thank you to all our trainers, trainee trainers and members that help out where they can. You all make a massive difference in ensuring we provide the best possible training for our club.

Our trainers for this season are; Mike Fernandez, Kelly Fernandez, Nicole Cooney, Cathie Hall, Ronny Krite, Nixy Krite, Jay Shelley, Darren Tannock, Laurie Golsby, Isabella Garay, Angelina Garay, Remi Defina-Sperando, William Shaddock and Damien Woods.

A big congratulations must be given to Nixy Krite who was awarded the Sydney Branch Training Officer of the Year. Nixy played a part in teaching every course the club offered this season except for SRC, which I'm sure she would've probably done as well had it not clashed with Bronze! Congrats Nixy on a tremendous effort this season. You have earned every accolade thrown your way.

Lastly, a big thank you to our members. It's not always easy training and it accumulates to a lot of hours and some late nights so on behalf of all the trainers, thank you for buying in to what we do and always giving your best. It certainly does make our jobs a whole lot easier.

See you all back on the beach and in the classroom next season!

Mike Fernandez

# LIFESAVERS IN ACTION

# DIRECTOR OF YOUTH REPORT

The 2018/19 season was my first in the driver's seat at South Maroubra Nippers and it has been quite the ride. With the fantastic support from the nipper executive committee and the vast number of volunteers it has been a truly enjoyable experience.

The season got off to a rocky start with the first nippers day cancelled due to a huge electrical storm. Over the next few months South Maroubra beach saw large swells and stormy seas, with the Nippers only managing to get into the water a hand full of times. It was a good opportunity to really get into the education components of the program and the sand skills really got a workout with hose pipe being cut into more flags at a rate of knots.

As in previous seasons, we were highly focused on member engagement, member participation, retention and looking at ways to improve further on our members experience. The professionalism, commitment and knowledge of our volunteers has been the key to the success of our program. We pride our program in being focused on inclusivity and education, whilst maintaining a well-balanced approach to competition and regular nipper activities. This is all delivered through a well-structured program in a family focused and fun environment.

This season we reached a massive milestone, tipping over the 800 nippers mark, this again meant we had to restrict numbers in the Under 6 and 7 age groups. We commenced our season with a similar calendar as previous seasons with the Under 6's and 7's utilising the rock pools at the southern end of the beach. With over 300 nippers in these two age groups it is no small task to keep them all engaged. This was again achieved by their age managers, under the guidance of the U6/7's coordinators Lauren Mclean and Makayla Manu.

David Matheson, Warwick Anderson, Matt Buttsworth, Ruth Kesterman, Philippa Stanley, Victoria Gibbons, Tony Jenkin, Charlie Page, Toby Harrison and all the extensive beach helpers did a super job with the youngest Nippers through-out the season. The retention rate of these nippers coming back each year is an awesome achievement.

We sadly said farewell to our U14s young lifesavers as they've graduated from the Nipper program. We wish them the very best in the senior ranks, and I thank Nathan Goldschmidt and his team for your support and work over the many years you coached and mentored these nippers.

Our U8s made the move to the big side of the beach and the transition was seamless. Both groups were managed by Pascal Giraud, Damian Alexiou,

Nik Hippmann and Brian Madden and of course, supported by our amazing Beach Crew and Water Safety.

To the U9s to U13s Age Managers, thank you for your continuous support and commitment. It was a challenging year with tricky conditions, your dedication and flexibility allowed the program to be delivered brilliantly without complaint.

Congratulations and a huge thank you to our Junior Captains Sarah Teitler and Ryan Goldschmidt. You both did South Maroubra and your families proud, making it to the finals of the Junior Lifesaver competition. A special congratulations goes to Sarah for achieving the title of Sydney Branch Junior Lifesaver of the year. Your commitment, approach and willingness to support others, whilst being an exemplary role models did not go unnoticed. Best wishes in your senior path at our club.

Our photographers, Helen Di Domenico and Claire McCabe, both did an amazing job roaming our beach in the background capturing the activities our young lifesavers in action. Awesome stuff.

Each Sunday at nippers the whole show is careful monitored by Patrol 14 and the Water Safety Supervisor. To the Patrol Captain (Greg Shaw/ Nicole Cooney) and the huge number of BM's and SRC's thanks for supporting us during the season. A big shout out to Uri Teitler for again taking on the job of Water Safety Supervisor. This season certainly put you to the test. To past junior members that volunteered their time to mentor and share your knowledge with our nippers, thank you. We appreciate your commitment and time; our nippers thoroughly enjoy having you around.

In order to develop great lifesavers and assets to the community, we invest a lot of resources focusing on lifesaving skills at the beach, education and development of our young members and family members. During the past season, we delivered a numerous training courses, with a number of our nippers representing our club at the Junior Development camps.

## EDUCATION SUMMARY

- 643 achieved their age appropriate Surf-Education awards
- 27 U13s/U14's achieved their SRCs and are actively patrolling our beach
- 24 junior members achieved their Resuscitation Certificate (AID)

- 84 Parents achieved their Age Managers award
- A large number of parents achieved their BMs, all doing active patrols and water safety
- 9 parents achieved their Level 1 Official award
- Several parents achieved their Silver Medallion Basic Beach Management award
- Several parents achieved their Spinal Management Award
- Several parents also achieved their IRB certificates (Crewman/Driver)

A number of our future young leaders from the U11s and U13s represented our club at the Sydney Branch Nipper Development camps. They learnt and shared valuable leadership skills, whilst furthering their lifesaving skills, in a well organised program.

## COMPETITION/TRAINING

This season's nipper training program was well structured, inclusive, and thorough, providing a more flexible approach and allowing working parents/ carer's to take advantage of the program for their children. With the support of our board coaches, we started board training in early August, which was a huge success.

We had big numbers attending surf swimming and board training which reflected on the improved skills and confidence that our nippers showed at normal nipper days, as well in competition. Sand training was also developed further, providing again a well-structured and flexible program, we saw our attendance soar, what a great achievement.

To our Junior Head Coach and Competition Manager (Colin Marshall) and coaches (Andy Newrick, Drew Richardson, Darren McLean, Marty Kiernan, Shane White, Murph Renford and Laurie Last) thank you for your guidance, support and encouragement. Your knowledge and commitment are truly appreciated. Please remember that all of our coaches are volunteers and give us their time to train our nippers, it is rewarding to see how these young athletes develop to become great lifesavers.

A new concept this year was a 2-day training camp at the club, with all the touring team members sleeping over at the club house. It was a pretty intensive training schedule but most importantly it really brought the team together. It was an incredibly rewarding experience for the coaches and the kids, and certainly one that we will be repeating this season.

Our nippers represented the club at several events during the season. All over Sydney, Northern and

Illawarra Branches, they wore and represented our colour's with pride, enthusiasm and competed in a fair and friendly manner.

Sydney Branch was hosted by Maroubra SLSC again this year which due to the conditions extended right down to the southern end of the beach. With a large contingency of competitors, we managed to secure great results in water and sand. Well done to all nippers that attended.

It was the third year at Blacksmiths Beach up at Swansea - Belmont for the State Championships. We had a large contingency of 100+ Nippers representing South Maroubra, who competed solidly, placing 5th in over-all point score in the State. The results were the highest ever point score and were within just 20 points of the top spot. Fantastic work from the coaches and the management team and a magnificent effort by our athletes... Well done!

And once again, Deanne Goldschmidt outdid herself by designing a unique and cool uniform for our team, we were the envy of many clubs at State. Thanks so much Deanne.

#### AWARDS/PRESENTATIONS

Presentation days were conducted as per our season calendar; our young U6s, U7s and U8s were presented with their medals, certificates and awards. This was followed several weeks later by the presentation to the rest of the older nipper group, the day was filled with excitement and fun, and it was great to present the well-deserved awards, certificates and medals.

Congratulations to the nippers that were awarded with their 100%, 200%, 300%+ attendance trophies, a well-deserved award and recognition to the nippers and families for such commitment, and of course, congratulations to the recipients of the Coaches and Age Manager's awards.

This year we held our Junior Club Championships over a couple of weeks due to difficult conditions. Congratulations to all nippers that received medals at the Championships and a big congratulations to our overall Club Champions for your age group. The Bruce Rutherford Memorial Award for the most outstanding surf female nipper competitor of the season was awarded to Lillie Mclean, a well-deserved recipient, congratulations Lillie.

The Surf lifesaving movement is delivered and managed by volunteers, our club is run and managed by a great bunch of volunteers that share the same vision and commitment to make our club great.

To all the volunteers that gave up your time and efforts to supports us during the season and ensure The program would be delivered successfully, a massive thank you!

The dedication of the club training officers is to be commended in helping our future lifesavers and parents learn more about the surf, beach conditions and valuable lifesaving skills. Thanks to the club's education team led by Mike Fernandez, I'd like to also express my gratitude to Nicole Cooney for the magnificent work she does with our SRCs. The numbers are growing each year and the beaches are safer for it.

To the amazing beach crew team, the support you provide to the Age Managers and Nippers is amazing. I thank you for your commitment, time, persistence and patience. The work and time you put into the development of our young lifesavers at training is invaluable.

Packing and unpacking the beach is a task that many of you are not familiar with and not an easy one. 7AM on a Sunday morning is a norm for our gear steward and support team followed by the pack up which is completed an hour or so after the last nippers have left the beach. I'd like to recognise and thank Paul Ryan, Stu Donaldson and Damien Alexiou for your support and dedication.

Thank you to our officials and water safety that have supported our section over the years. This year we saw increasing numbers of parents achieving their Bronze Medallion and Officials awards. Both awards increase the participation levels of the parents/ carers and in doing so increases the enjoyment of the nippers. Great stuff.

Thanks to our nipper partners Sydney City Volkswagen, RAMS Sydney East Sydney, CSJ Seafood, Invisible Zinc and Channel 9.

Thanks to the club's major sponsors – Maroubra Seals Club, The Juniors, Randwick City Council, Botany City Council & the NSW Government. To the local businesses that support our nipper program – namely Look Design, Mick Fisher, Maroubra Surf and Skate and the many businesses that sponsored our Trivia Night.

To the volunteers that put their hand up to support us, whether on Sundays or at events, jumping on the BBQ and many other important tasks, thank you. A special mention to those in the engine room each week. Michelle, Denise, Sarah, Maria, Quinta, Emma and Shannon thank you for holding down the fort in the office and dealing with all the requests and extensive administration.

To the nipper family and community, I hope that you enjoyed last season and are looking forward to 2019/2020. I sincerely thank you for your support, efforts and commitment; you play an instrumental role in the success of our program.

In closing, I would like to thank again the nipper executive committee, in particular Marcelo for a seamless handover and also my fellow Club Directors for your support and commitment; I extend my thanks to those within Sydney Branch for their ongoing support shown to our club, whether supporting the Randwick Shield, carnivals, jet ski/IRB support or via administration in general. I have met some great people from the other clubs within the branch, all of whom have been very supportive and helpful.

It has been a challenging yet fulfilling season and I am proud to be part of such a fantastic part of the community.

Warm regards,  
Greg Turton

# NIPPERS IN ACTION

# DIRECTOR OF COMPETITION REPORT

The 2018/2019 season has been a year of success and firsts for our great club. This year's main focus has been to build on the strong foundations our heads of sections have laid and I am pleased to say we have made great steps forward.

Our boat section lead the way with fantastic results all year, in true South Maroubra fashion the women's crews set the standard. Swept by our new sweep/coach Rebecca "Beck" Hamilton our two girls crews performed all season along with our U23's women's crew "Motley Crew" winning Branch gold and our reserves women's crew "Bisley" winning gold medals at Branch and State and ending the season with bronze at Aussies. This was special as it was the first time an all-women's crew achieved a clean sweep winning medals at Branch, State and Aussies, a feat that the crew and the club are very proud of.

Our men's crews worked extremely hard all year and were unlucky not to achieve the racing results they probably deserved, our reserve men's crew were all new to each other so the past season has been a great development year to push them into the higher places at carnivals in the season to come. Our U23 boys have been together for some time now with the exception of new recruit Marshall "Has-to" Hastings a former nipper turned boatie who fit in nicely with the boys. They faced a battle all year in an extremely competitive division so the past season has been a great learning and development season for them to spring board into a dominate next 18 months.

The South Maroubra masters team excelled again this year, competing in many carnivals all over Sydney and surrounds as well as the big 4 Branch, State, Aussies and Worlds. Dave "The Grey Flash" Smith has well and truly earned his nick name, winning the beach sprint at Branch, State, Aussies and Worlds in his division. At the NSW State Titles South Maroubra's 230 years male beach sprint team consisting of Max Murphy, Dave Reid, John Rooney and David Smith took out silver. John Rooney took bronze in the 65-69 beach flags and Max Murphy silver in the over 70s beach flags and sprint. Our water competitors excelled at Branch this season with Dave Reid taking out silver and Darren Tannock bronze in the men's 30-39 ski race. Dave Reid finished 5th in this event at Aussies.

Sarah Melia was the surprise package of the day at Branch, a wrong turn cost her the lead in the u17s female surf race. Sarah was last after turning the cans but clawed her way back and finished an admirable 4th. Determined for retribution so she decided to back up in the Opens Female Surf Race. Against a very strong field of competitors Sarah won the event in convincing fashion proving she is a force to be reckoned with in the surf sport arena.

A special thanks must go to all our coaches and competition committee members for their tireless work and dedication to the sport. A big thank you to Yvette and Michelle for handling all of the admin side of competition and all the issues that come with that. Laurie and Bronte for taking the IRB section by the scruff of the neck and putting it in a great position moving forward, Nixy Krite, Dave Lowlett, Dave Reid, Max Murphy and John Rooney for all the work they do for the masters and Phil and Beck for their outstanding work in the boat section this year.

# IRB COMPETITION REPORT

It's one of the fastest and most exciting surf sports to watch. Our fresh IRB Racing Team along with 22 clubs started their engines and took to the water to demonstrate their skills and speed in the 2019 NSW Sharkskin IRB Racing Season.

Once again, our team headed to Stockton Beach to kick off the season for Round 1 of the NSW Premiership, battling it out with over 300 competitors. Conditions were favourable and our team made it to 6 finals and achieved 9th in the Overall Point score. Round 2 of the Premiership Series was held at The Lakes SLSC on the Central Coast. Conditions were challenging for our competitors with one-metre shore-dump but our drivers and crews raced at an exceptionally high level taking into account safety, technique and professionalism.

The scene was set on pristine One Mile Beach on the state's Lower North Coast for the third round. Luckily the large swell was held off by the headland to ensure competition could be run. Along with our high energy and skills, came amazing results. Big improvements were seen as we came 6th overall and doubled our Overall

Point Score results from Round 2. It was a great carnival and we looked forward to returning here for State.

The Premiership Series wrapped up at Caves Beach for the fourth and final round. A shore dump and challenging sand bank tested the skills of our racers. South Maroubra achieved 6th Place in the Overall Premiership Point Score and 3 of our teams earned Premiership Series medals.

State Championships was hosted by Cape Hawke SLSC in challenging conditions. Due to the increase in swell throughout Saturday, on Sunday the event was moved from Cape Hawke's One Mile Beach to Forster. The surf was large, but it was also very choppy. It was challenging for every crew. To make it through the rounds you had to be smart, you had to drive to the conditions not flat out. It was a great call by the competition and safety committee to move to Forster on Sunday. It gave everyone the best chance of finishing the event. Our team came 6th Overall in the State. We made 11 finals and 4 teams achieved State medals.

The Australian Championships have just taken place at Kingscliff Beach, NSW. Coming off a fantastic weekend at State Championships, I am so proud of how the team went at the Australian Championships. The hard work of the boys paid off taking home a gold and silver Australian medal, and the team placed 6th in the overall pointscore.

The overall season has been a success having such a majorly new team. We have come together and the energy, laughter and competitiveness as a team has been amazing. I am proud to be the Team Manager of such an amazing bunch and looking forward to the future of the team.

Bronte Chadwick  
**IRB WINTER TOURING TEAM MANAGER**

## IRB COMPETITION RESULTS

### NSW IRB PREMIERSHIP SERIES

1st U23 Teams – Shake n Bake  
Will Shaddock, Laurie Golsby, Milly Ryder  
Alex Shaddock, Lachlan Golsby, Tijana Miles

2nd U23 Rescue – AMG  
Will Shaddock, Laurie Golsby & Milly Ryder

3rd Open Men's Mass – DAW  
Will Shaddock, Laurie Golsby, Milly Ryder & Maddie Rath

### NSW IRB STATE CHAMPIONSHIP

1st U23 Teams – Shake n Bake  
Will Shaddock, Laurie Golsby, Milly Ryder  
Alex Shaddock, Lachlan Golsby & Tara Georgas

1st U23 Rescue – NAC  
Will Shaddock, Laurie Golsby & Milly Ryder

3rd Open Female Rescue – BronTayyy  
Bronte Chadwick, Tayla Curry & Tara Georgas

3rd Open Male Tube – Amphibians  
Alex Shaddock, Marshall Lines & Scott Hobday

### AUSTRALIAN IRB CHAMPIONSHIP

1st Open Male Teams  
Will Shaddock, Laurie Golsby, Milly Ryder  
Alex Shaddock, Scott Hobday & Tara Georgas

2nd Open Male Rescue  
Will Shaddock, Laurie Golsby & Milly Ryder

# SURF BOAT CAPTAIN REPORT

## The 2018/19 season was like a breath of fresh air.

The arrival of experienced sweep Beck Hamilton has been fantastic and couldn't have come at a better time. Beck has been a huge help for me this season. After a few early mishaps with an unlucky run of broken gear, Beck stormed home with fantastic results and brought some great experience and attitude to our boat section. Her passion for boats is undeniable and I'm excited for us to continue to grow and bring new rowers, sweeps and officials with us into the bright future at South Maroubra Surfboats.

With Beck came 8 young ladies to South Maroubra, making up her two strong racing crews: the U/23 women's crew- "The Motely Crew", and Reserve women's crew, "South Maroubra Bisley". The girls nicely complemented our boys and the return to the water of U/23 men's crew, "South Maroubra Rookies" and newly formed Reserve men's crew, "South Maroubra Wasteline" both swept by myself.

We made up an awesome team together and it was great to have multiple boats and tents on the beach this year. Thanks to all the many family and friends that supported us and lifted boats

up and down the coast all season. It really gave us a boost and we hope to see you all again in the future.

All crews made it to the Aussie titles back at the famous Kurrawa beach and did themselves and our club proud, but the stand out crew this season was our reserve women's crew.

The South Maroubra colours were flown high by our reserve grade crews in both the men's and women's divisions. It was great to have these senior members setting a great example for the younger members.

## SOUTH MAROUBRA BISLEY

This trailblazing crew was made up of BECK, KATH, CAITLIN, SUNNY and LAUREN. These ladies seemed to click as soon as they got together and led the way with their dedication to training and efforts both on and off the water. The results of this crew were made even more special as a FIVE WOMAN crew, and Beck and the girls making history along the way.

Winning the Sydney Branch and NSW State titles to go with a bronze medal at the National titles were AMAZING achievements and thoroughly

well deserved. It was fantastic to watch and I was personally stoked for Beck and the girls and their impressive haul of medals this year. WELL DONE CHAMPS. We are all so proud of you!

## SOUTH MAROUBRA WASTELINE

It was great to have long time members JOHNNY, LEWIS and NICK back together on the water this year. BRENT joined us after an SOS was answered at X-Mas and we got to work on making our boat move as fast as we could. The boys did well considering finding a 4th member and commencing training in January. Brent learned to row in a surfboat for the first time but picked it up quickly and was powerful in the water showing his blade skills from a still water background. The boat felt fast and we had fun along the way to making the ¼ finals on Sunday which was a fantastic effort. We were a bit unlucky at Aussies and was fair to say it was a firm welcome back to Kurrawa getting belted along the way and breaking 3 sweep oars in two days, 2 of them in our last race for us on Sunday. (these were the only 3 oars to my broken collection this year)

South Maroubra was well represented in both the men's and women's U/23 divisions with "The Motely Crew" and "The Rookies". Both crews had members that were new to the sport of surfboat rowing, however a very special shout out should go to Kelsey and Marshall for learning to row this season from scratch and forming a crucial part of their competitive crews. Huge effort- well done guys.

## SOUTH MAROUBRA ROOKIES

MARSHALL, BRODIE, BEN AND BILLY make up the new look Rookies U/23 men's crew. After having a season off last year, the first season in the U/23 division could be considered a learning year. Marshall did a great job learning the art of rowing and led the way for the boys in the gym. The Rookies learned that this division as arguably the fastest, toughest and most competitive in the sport and our efforts need to match that to be competitive. We put some good races together throughout the year and are already keen to improve our effort and attitude next season and vow to be highly competitive in 2020. The bond this crew share is unrivaled and the disappointment of an early exit at Aussies sparked a huge fire in the belly of our crew. Watch this space!

## SOUTH MAROUBRA MOTELY CREW

ELLYN, KELSEY, LAUREN AND SAM with their fearless leader BECK were by far the most improved crew at South Maroubra this season. With several of these girls new to surfboat rowing and Kelsey new to any type of rowing, the way these girls competed in their first season as a crew is a credit to them and their coach. There were many "incidents" along the way, both good and not so good that the crew endured together but their positive attitude got them through. The Motely crew were highly competitive in any race they entered and were peaking at the right time when severe injury "crushed" the dream for Aussies glory in the national semi-final. The road trips and company at carnivals will be the fondest memories for me and with any luck we will see these girls for years to come at South Maroubra boats.

## JUNIOR GIRLS

This year Beck and I started teaching 10 junior female members the sport of surfboats.

The Gremlins and The Rookettes as they became known trained well in and out of the boat. Well done to these young ladies for gaining SLS and Bronze awards this year and a super congrats to Beck and the brave group who made it into the surf for a row this summer. This upcoming season will be the one for these girls to make it to the starting line and we are all so excited for you to join us as "racers" on the beach in our tent. Thanks to all of you for helping us on the beach at various carnivals with lifting our boats and holding onto our gear during races. We can't wait to repay the favour and help you girls as you begin your surfboat careers.

A special shout out must go to FIONA and COCO for their work gaining accreditation as officials and helping us at carnivals this season. Thanks also to MARCELLO and all the parents of these girls for running them around and supporting the South Maroubra Boaties.

A word from Beck: Rebecca Hamilton:

Up front it was such a great pleasure to be a part of the new Junior girls crews. All 10 of the girls put in a great foundation year before we figured out they are all actually too young to compete. Watch this space though in season 19/20 as we hope to field at least 2 Junior girls crews for the first time in Sth Maroubra history.

Our under 23 girls came together in late November with their first carnival North Cronulla, from all places, thus being called the Motely crew. 3 of the girls

new to surf boats and 1 with about 5 weeks of rowing up her sleeve. It was a mammoth learning curve for the younger crew who are still 3-4 years younger than their rivals and hold a massive future. Their results all season were so strong. Final after final, with the stand out being 5th at the ASRL National final, 3rd at the International Young Guns and winning the branch championships. State was not their day, and Aussies, well it's a story for when we are old to tell. This crew though regardless of results showed the greatest maturity in a very tough situation at Aussies and their attitude after something so awful will and has made them stronger for the future. Watch this space over the coming years as the intensity and training increases, and their mental toughness gets better and better. Well done girls.

Sth Maroubra Bisley. Like a good red wine, got better as the season progressed. Again, a crew of 5 people thrown together hoping for the best, but never have I personally swept a crew of such different personalities. It's what made them work. Such enormous respect for each other and aligned on a hard work ethic. The strong results of the girls came from patience, learning what made us tick as a crew, and working to our strengths. The early results were consistent but after branch, we kicked a gear determined to have no regrets. Branch and State Champions, and the mastership in rowing at Aussies in that surf made this sweep look good. They deserve everything they receive this season simply because they put the work in. There is no substitute for it. We have a hell of a lot of laughs, and this crew will hold some special memories together for a long time.

We are so proud to have made history for the Sth Maroubra Club this season, and look forward to making many many more as we continue to grow.  
Beck Hamilton.

### THANKYOU FROM THE BOAT CAPTAIN

I'd like to thank all of our sponsors and supporters of the South Maroubra Boaties.

Bisley Workwear, Top Cat Catering, Wasteline Rubbish, Workscene, Henry Morris, Cameron Airlie at NG Farah and all of our current sponsors listed throughout this report- we greatly appreciate your help and continued support and funding. This keeps us at the pointy end of the competition which is where we want to be and we look forward to your continued support and sponsorship. Its is also most pleasing to report that two (2) new surf boat sponsors have been secured for next season - JCM Contracting and Ford Civil Contracting.

Bob Byrne and Peter 'Dino' Steenson- thanks yet again for another season of officiating and looking after us on and off the beach. It was fun having you guys with us as a team on the beach and away on road trips also. Memorable!

Barry and Leslie- thanks for putting up with our gym and boat shed noise and thanks for your help throughout the year. Sorry about the sand in the driveway Barry.

Yvette, Stretch, Paddles, Nicole, Michelle and all of our Board of Management- A HUGE THANKS for all the help, encouragement and maximum support you provide us as a section. We really appreciate the work and help you provide us season after season.

### LASTLY

In signing off I can report the future times ahead for the South Maroubra Boaties looks bright. Teams have been training and new members will be joining us with some older members also returning. It is a privilege to captain this great team and one I really do enjoy and am grateful for. Thanks to all the boaties for putting up with me at times of difficulty and apologies again for times when my passion clouds my ability to deliver messages in the most desirable way. I can't wait to see you all on the beach.

TOGETHER ALONE

Philo

Phil Stivano

# LIFE MEMBERSHIP

It is an honour to be able to nominate Grant Rutherford for the most prestigious award of South Maroubra Surf Life Saving Club, that being Life Membership.

Grant has proudly and passionately held continuous membership at South Maroubra SLSC for 50 years inclusive of 9 years as a Nipper. After a successful nipper career, in which he enjoyed a number of nipper championship and carnival triumphs, he gained his Lifesaving Qualifying Certificate and then Bronze Medallion. Grant then went on to gain numerous significant SLS awards in the areas of Life Saving, Education, Coaching, Competition and Long & Patrol National Service Awards.

During Grants membership period he has held many Club Officer role's, spanning over more than 20 years, also during this time displayed an exemplary Lifesaving record. Grant recorded more than 15 years of 100 Patrol attendance , participated in and won a number of the Randwick District Patrol Competitions and held the role of Patrol Captain for 5 years.

Provided many many years of fundraising service to the club especially in the areas of club/pub raffles. 'Paddles' was always on hand to assist when workforce was called for with special mention to State and local carnivals that the club has hosted, Sydney Water Ocean Swims, Trivia Nights and Sportsman Days. 'All this'.... when Grant was required to work Saturday's for the last 35 years!

What differentiates Grants membership record to many others in the club is his outstanding service to South Maroubra in the areas of competition/ coaching. 'Paddles' has been a club coach for more than x 26 years in the Swim Section which has undoubtable been SMSLSC most successful competitive section over the last x 40 years. He has been an inspiring coach and mentor that has assisted some of our clubs greatest competitors namely, Ron McKeon, Kim Rutherford, Jacqui Robinson, William Rowley, Adam Featherstone, and more recently his champion swimming relatives - his niece and nephew Lucy + Drew McJannett. Paddles enthusiasm and dedication in getting our club teams ready for carnivals and specialist events such as Belt Teams & Surf Teams is now recorded in our club history and

evident by his election to Club Team Manager for 6 years. Grant was highly regarded in this area and provided his expertise to Randwick District as their Team Manager for 5 consecutive years back in the 80's.

Luckily for our club, Grants children (Daniel and Trent) showed interest in the nipper competition arena which motivated Grant to once again become involved in our club coaching program. Grant became a formidable nipper board/surf/ ironman coach resulting in our club enjoying one of the most successful decades in nipper board and surf participation/ podium results at Branch and State Titles.

Grant (Paddles) has won all the club's prestigious awards being Most Outstanding Cadet, Junior and Senior in the 1970's and 80's and in 1994 was awarded the Clubs Honour Blazer. There is x1 more major award that Grant deserves and that is Life Membership and its 'TIME NOW'. John Marks and I robustly recommend the Life Membership nomination of Grant 'Paddles' Rutherford and ask the LM Committee to endorse nomination for the Clubs Board Management to agree and let the clubs members vote on at this year's AGM.

John (Jack) Shaw  
**NOMINATOR**

HONOUR BLAZER

85

# HONOUR BLAZER

We would like to ask the board of management to consider the outstanding service demonstrated by Ronny Krite and nominate him for the Honour Blazer.

Ronny Krite started his lifesaving journey at South Maroubra SLSC in 2006 when he decided to introduce his son to nippers. Not doing nippers as a child himself it opened a whole new world to him and his family. As soon as he hit the beach on the first day of nippers with his son by his side, Ronny started to help and give his time to helping the Age manager and decided he also wants to be part of this amazing movement at South Maroubra.

He joined the club on the 9/9/2007 and achieved his Bronze medallion while still learning from the age manager in his sons group.

All geared up for the following season with his bronze under his belt he quickly became a valued member within the club and became the Under 10 boys Age Manager.

He achieved his IRB crewmans and helped out at all water safety events. Ronny also joined the IRB team and started to compete.

The 2008/09 season he was awarded the club Rescue of the Year showing his skills and knowledge within the lifesaving area.

The 2009/10 season Ronny started if off achieving his Silver Medallion in Beach Management ,Silver medallion IRB Drivers and spinal management setting him up for the year to come.

2010/11 Ronny was a active patrolling member and now was on the Nipper Committee as Surf Ed. Ronny's dedication and time to South Maroubra achieved him a major club award of Most Outstanding Senior and IRB person of the year. His love of IRB and lifesaving continued through the winter competing with the IRB team and establishing himself as a great competitor.

2011/12 Ronny was now patrol Captain for patrol 7 leading his team between the flags and beyond. He was awarded Club award of Patrol Captain of the year and won his first State medal (GOLD) the first of many to come.

2012/13 He continued to up skill and his love for lifesaving took a new corner by achieving his Training officers award to share his knowledge and help

others to achieve their goals to becoming a lifesaver. He also took up summer surf sport snagging his first State Bronze medal in sprinting along side the South Maroubra Masters Team. To take his competition side to a new level he went to the World Lifesaving Championships and competed as a IRB crewman.

2013/14 He was elected to be Lifesaving Assistant Director working hard to help run the lifesaving team/members. He was acknowledged for his hard work with being awarded Patrol Captain of the year and Training Officer of the year. He also achieved his IRB trainers and helped with the SRC groups going through. And once again achieving the top 10 patrolling hours within the club. His love for IRB competition countiuned and achieved a gold medal at State Championships.

2014/15 another hard working season for Ronny taking through Bronzies, SRC and IRB groups and helped recruit and retain those members wanting to up skill. His passion for training was now well established in the club and he is a well regarded dedicated trainer spending hours training our club members. He maintained his position as Assistant Director of Lifesaving and took on another position on the Constitution Committee. Ronny was awarded along with his patrol Branch Rescue of the month showing his leadership and hours of patrols learning and sharing with his team achieving a successful rescue. He was awarded top ten patrolling hours and another year of competing in the IRB arena achieving

State Silver Medal.

2015/16 Ronny was awarded Clubman of the year this season sums up his dedication and love for South Maroubra SLSC. He continued training many members and kept upskilling his own along the way. He maintained his positions within the club working hard to make changes and maintain standards within the club.

2016/17 this season was outstanding for Ronny in the competition area. He trained hard and alongside his Coolangatta Gold team won a Bronze medal and backed it up in the IRB season with another State medal. He spent many hours at South Maroubra working with all areas of the club from Nippers, Water Safety, Education and lifesaving.

2017/18 Ronny has maintained to support the club and goes above and beyond his roles within the club. Huge achievement this season has been to take on support operations and achieving his RWC. This has broaden his knowledge and understanding outside the flags and now giving more of his time back to not only South Maroubra but to the whole SLS movement. Ronny this year has patrolled over a 1,000 hours and as of April he is on 1,109 hours over the 10 years of service within the SLS movement. This outstanding achievement shows in his dedication to protecting our community and to South Maroubra SLSC. If he isnt between the flags on patrol he is training our members, cleaning areas that require attention, organising substitutions, training for competition and supporting our members as a whole.

Nothing is ever to much trouble for Ronny and he is a very much a loved and valued member of South Maroubra. He is the go to man and is a quite a achiever. If any of this is to go by we know Ronny will keep on achieving and volunteering his time and energy to our club for years to come.

2008-2009 : 100% Patrol Efficiency

- Club Award - Rescue of the Year
- Award - Bronze medallion
- Award - IRB Crewman

- Position Held - Assistant Director of Lifesaving
- Trainer - Bronze, IRB and SRC
- Patrol Hours - 151.25 and a career of 1109 hours in ten years as of 15th April 2018

I would like to nominate Ronny Krite for this seasons South Maroubra Honour Blazer. I have known Ronny Krite for 12yrs, meeting him when he first joined Sth Maroubra as a nipper parent. The last 10 yrs I have had the privilege of patrolling alongside him, competing with him in IRB's and training countless Bronze squads together. I have found Ronny to be an incredibly supportive teammate over the many years of racing and travelling away to compete.

I have also found Ronny to be one of the most giving trainers, competitors and club members that I have ever worked alongside. Nothing is too much trouble for Ronny, it's not if he can help, it's how much can he help. Whenever I see Ronny on the beach or helping teach in the classroom I'm always greeted with a big smile and welcoming attitude. Ronny has a passion for Surf Lifesaving and Sth Maroubra that is rarely seen. He is an outstanding advocate for South Maroubra and a superb role model for any new or existing member that gets to spend time with him.

Ronny has worked tirelessly and selflessly to support our patrols on the beach as a Patrol Captain and Assistant Director of Lifesaving. It's quite common for Ronny to fill in if a patrol is short on numbers or needs an IRB driver. This has resulted in Ronny spending whole weekends on patrol just to fill the gaps. Others would have said it's not their problem but Ronny does it all without complaint and a big smile.

Ronny is also the first to volunteer to help at club events or to provide water safety at the various events over the season. Not only has Ronny clocked up over 1000 patrolling hours but would also have clocked up at least that number of hours in training SRC, Bronze and IRB squads.

I cannot think of a more deserving nomination for this years Honour Blazer than Ronny Krite.
