Once you're in click on the 'Training Event' menu item:

The screenshot shows the Surf Life Saving eLearning system interface. On the left is a vertical sidebar menu with the following items: 'Home' (with a house icon), 'Training Library' (with a bookshelf icon), 'Training Event' (with a calendar icon), 'My Training' (with a book icon), and 'Help' (with a question mark icon). Above the menu items, the user's 'LMS LEVEL' is 'Member' and their 'USERNAME' is partially visible. A 'Log out' button is also present. At the bottom of the sidebar, it says 'Powered by etrainu'. The main content area on the right displays a 'Welcome' message, 'LMS Level: Member', and a red welcome message: 'Welcome to the Surf Life Saving eLearning system.' Below this, it provides instructions on how to enrol in a course and a 'Need Help?' section with a link to the helpdesk. A red vertical line and an arrow point from the 'Training Event' menu item to the main content area.
